The committee discussed staffing updates and we are currently full staffed. The district has also hired a preschool director at WHS Prep.

2. Job Description: Behavioral Health Specialist

The job description has been updated to best meet our goals for K-5.  
We also have access to services through NJ4S which is state funded for RMS.

3. Enrollment

Enrollment remains stable and class sizes remain reasonable. The district regulation for class sizes is K-3 with 21 students, 4-5 at 22 students and 6-8 at 27 students. We also currently do not have a waiting list for Pre-k which is wonderful that we can serve all students.

4. Personnel Matters

The committee discussed 2 personnel matters with 1 still pending while the other has been resolved.
