Notes and Reminders

*** SY26-27 Council Initiatives:** Begin discussions to determine the focus of the council's upcoming work. Lean on your school's Semester Action Plan to ensure the work of the council is aligned with the goals and initiatives being targeted by the school leaders. Task the council with prioritizing 1 – 2 initiatives the SGC could lead or support throughout the year.

****SGC Website Audits**

Each school year, the Governance & Flexibility Team periodically performs website audits to ensure all School Governance Councils throughout the district are in compliance with Georgia Open Records and Meetings laws. These audits require councils to post information related, but not limited to the following:

- Date, Time, Place/Access Instructions for all Meetings
- Council Documentation (Minutes, Agendas, Summaries of Action)
- Council Roster, Term-End Dates, FCS E-mail Addresses
- Officer and Committee Information

The Governance & Flexibility Team will be completing website audits for all schools at the end of the month. For a list of SGC website requirements, please review the SGC Website Audit Form.

Help Share Qustodio with Your School Community

As families continue to navigate the digital world with their children, Fulton County Schools offers access to **Qustodio**, a helpful online safety and digital wellbeing resource for parents and caregivers.

Qustodio provides families with tools and resources to better understand and support their children's digital lives.

We encourage SGCs to consider helping share this resource with their school communities. This could be a great opportunity for your newly established **Outreach and Communication Committee** to take the lead by sharing information through school newsletters, websites, social media, parent organizations, or other existing communication channels.

Resources available to share include:

- English and Spanish Qustodio flyers with an overview of the resource and account creation information
- The FCS Online Safety Hub, which includes additional parent resources and information about Qustodio
- Additional communication resources that can be adapted for your school community

FCS Online Safety Hub: Visit the Fulton County Schools Online Safety Hub

We hope SGCs will consider helping spread the word about this valuable resource for parents and families. Please feel free to use the attached flyers and resources or work with your Outreach and Communication Committee to determine the best way to share the information with your community.
