Good attendance is essential to school success! Every time a student is absent/tardy, a **parent must notify the office at (714) 894-7281**, (available 24 hours a day). **Any student absent from school may not participate in ANY after school activity on the day of the absence.**

Excused Absences and Tardies: Illness/doctor/dental appointments, death in the family, religious holidays, and student-required court appearances are considered excused. All other reasons are unexcused. Students are considered tardy if they are not in their seats when the bell rings at 8:00AM.

Students are given 4 minutes to transition between classes and should never be tardy to a class, unless given permission by an adult on campus. Please schedule all appointments after school hours. Students with temperatures of 100° or more must stay home from school.

First Period (to school) Unexcused Tardies: These reset each trimester.

If absences or tardies continue while on a SART Contract, the parents will be invited to a DA's meeting and referred to the School Attendance Review Board (SARB). Parents and students will be invited to a SART conference and placed on a SART Contract if their child has accumulated 5 or more unexcused absences, 10 or more excused absences, and/or 10 or more homeroom tardies.

Early Check-Outs and Parent Visits

When parents check their child out before school is dismissed, they must check in at the office and present their ID. Only persons on the student's emergency contact list may check out the student. That person will be required to present ID and be over the age of 18. Please keep the student's emergency contact list updated in Aeries. Parent visits to classrooms may be arranged by contacting the office at least one day prior to visiting. All visitors, including parents, must check in at the office, present ID, and obtain a visitor's pass every time they visit.

TRANSPORTATION

Bicycles/Skateboards/Scooters

Riding a bicycle, skateboard or scooter to school is a privilege that should not be taken for granted. Students are required to follow all traffic laws and safety regulations traveling to and from school. An area is provided for the parking of student bicycles, skateboards and scooters. It is required that students who ride bicycles, skateboards or scooters to lock up items. The bicycle area will be monitored; however, the school is not legally responsible for damage to or theft of any bicycle, skateboard or scooter brought to school or left on campus. **No bicycles, skateboards or scooters may be ridden on campus at any time. If a bicycle, skateboard, or scooter is confiscated, an adult must pick it up.**

Electronic Bicycles (e-bikes)

As part of Westminster School District's ("District") safety program, the District has adopted a policy applicable to any student using any electronic single rider vehicles on District property, including any school site. The District does not promote or endorse the use of Electric Single Rider Vehicles and encourages all students, parents, and guardians to carefully consider whether the use of an Electric Single Rider Vehicle is a valid option based on their specific needs.

All students are required to obtain a permit before bringing any Electric Single Rider Vehicle on campus. Look for a flyer at registration or Parent Orientation. The District may lock up or otherwise withhold any electronic vehicle that does not have a valid permit and the District may further revoke any issued permit if any student fails to follow the rules set established.

Parking Lot

In order to ensure the safety of all, parents are asked to follow all traffic laws and the directions of school personnel. Students are asked to be aware of traffic and walk safely to and from the sidewalk to a car. Parents picking up or dropping off students are to use the pickup/drop off lane, pull as far forward as possible, and remain in their car while waiting. Parents should only park in marked stalls. Students are not allowed to walk through the parking lot unattended. Parents may not double-park in any aisle.

Closed Campus

ONCE STUDENTS ARRIVE AT SCHOOL, THEY ARE TO REMAIN ON CAMPUS THE ENTIRE DAY (including after zero period and before 1st period).

Students leaving campus without permission will be considered TRUANT and will be assigned proper consequences. Students may not have visitors on campus at any time. Adults MUST check in with the office when entering the campus for any reason.

FLEX TIME

FLEX Time is a dedicated 30-minute block added to the school day after 2nd period to provide daily intervention and extension opportunities for all students. **ATTENDANCE IN FLEX IS MANDATORY DAILY. STUDENTS MUST EITHER BE ASSIGNED OR SELECT A CLASS FOR FLEX TIME FOR EACH DAY.**

INTERVENTIONS/CONSEQUENCES

Students may be assigned a detention or campus beautification for tardies to school or classes, technology misuse, not following directions, being disruptive in class, or other acts of defiance. Detentions may be conducted during the school day, during lunch, before school, after school, or on a Saturday. During this time, students will exercise mindfulness, learn appropriate social skills, and reflect on their actions.

Any student who engages in physical, verbal (profanity), social, or emotional aggression toward another student or staff, at school or online, may face the following consequences:

- Suspension
- Alternative school placement
- Expulsion
- Loss of privileges such as participating in sports, activities, or attendance of after school or end-of-year celebrations. **8th grade students may lose the privilege of walking in promotion, regardless of GPA or prior discipline record.**

BULLYING AND OTHER FORMS OF HARASSMENT

Bullying

Bullying is an ongoing pattern of aggression, harassment, threats or intimidation when there is an imbalance of power from peer to peer. This can occur when one peer has greater status, control or power over the other (as perceived by the target). Bullying occurs in the form of physical, verbal, or non-verbal attacks. It can occur in person or online. Any type of bullying is never acceptable and will be met with severe consequences. If you are experiencing bullying, please report to an adult and notify the school. You may use the hotline function in Jupiter Ed or go directly to an adult on campus.

Sexual Harassment

District Policy states "sexual harassment of any student or employee by another person is prohibited."

Sexual harassment can include:

1. Unwanted sexual advances (Such as trying to meet someone and start a boyfriend/girlfriend relationship when the other person does not want to, or suggesting that you get to know each other better.)
2. Making threats to another person if they do not want a boyfriend/girlfriend relationship.
3. Showing the other person "vulgar" or "dirty" pictures, objects, or words.
4. Giving the other person continual sexual "looks" or making sexual movements or signals.
5. Saying sexual things, making sexual jokes or comments, or writing sexual letters or notes.
6. Touching another person in ways they do not want to be touched, blocking movement, bumping, etc.
7. Pantsing of any students including those of the same gender as the offender or the opposite. It does not matter if you think you are just fooling around or joking; it may be considered sexual harassment. This can be serious and may result in being suspended from school, expelled from Westminster schools, or even arrested by the police.

Fighting

Fighting is considered a very serious violation of school and District rules. All fights will be dealt with in a severe manner. Fighting will not be tolerated. It is important to remember that if there is mutual engagement, there will be mutual consequences. It DOES NOT matter who starts the fight. You are not permitted to hit someone because someone hits you. If both students participated in an escalation that resulted in a fight, both students will be considered having mutual engagement. Students are expected to de-escalate situations so that it does not lead to a fight. For example, if a student is threatening you, you are expected to report it to an adult on campus.

Vandalism

Destruction of any property is called vandalism. This could include things like breaking windows, dumping things in classrooms, jamming school locks, etc. This may also include using any instrument to draw, push over, cut, and/or scratch school property.

SOCIAL MEDIA

Parents and guardians are 100% responsible for their students' proper cell phone use including text messages and social media posts. Many social media sites have age restrictions and are not safe or appropriate for middle school students. Parents/Guardians: If your student is using social media and having problems in social media venues, it is your responsibility to report a problem to the social media venue itself and remove your child from the environment. The school is not responsible for monitoring the social media use of students. You are required to supervise your child's text messages and social media use carefully.

DRESS CODE

Warner Middle School respects students' rights to express themselves in the way they dress. All students are also expected to respect the school community by dressing appropriately for a K-8 educational environment. Student attire should facilitate participation in learning as well as the health and safety of students and the adults that supervise them. This policy is intended to provide guidance for students, staff, and parents.

Requirements:

1. Clothing must cover areas from one armpit across to the other armpit, down to approximately 3 to 4 inches in length on the upper thighs (see image). Tops must have shoulder straps. *Your top garment must meet your bottom garment.*
2. Shoes should be comfortable and appropriate for play/movement. No opened-toed shoes, slippers, shoes without backs or shoes with heels higher than 2½ in.
3. Clothing may not depict, imply, advertise, or advocate illegal, violent, or lewd conduct, weapons, sexual acts, nudity or the use of alcohol, tobacco, marijuana or other controlled substances.
4. Clothing may not display or imply vulgar, discriminatory, or obscene language or images.
5. Clothing and accessories that endanger student or staff safety may not be worn.

For the safety of students, clothing or accessories deemed gang related by local law enforcement is prohibited. Dress code standards will be updated and communicated as needed in order to ensure a safe school setting. Students who do not adhere to these guidelines will not be allowed to attend class. Parents will be called if appropriate clothing is not available or the student refuses dress-code appropriate clothing.

PHYSICAL EDUCATION

Middle school students participate in Physical Education 5 days a week. Students are assigned a PE locker and a combination lock (**Replacement locks will cost \$5.00**). Students are responsible for locking their valuables in their own lockers during PE. Do not share lockers or share your combination to your lock. Both boys' and girls' locker rooms are supervised by credentialed teachers when students are present. **The school takes no responsibility for items lost or stolen in the locker room.** Students are expected to dress-out for PE every day. Not dressing out will be negatively reflected in a student's grade.

HALL PASSES

Every student leaving a classroom during class time must have a valid reason and an active Smartpass. During the passing period, students must report to class to obtain a pass **prior to** going to the restroom, office, health office, or library. In cases of health emergencies, ask for assistance from any teacher.

LIBRARY

Students must provide their student ID number to check out library books. Students may check out two library books (for 2 weeks) plus one reference book (for 1 day) at a time. Students are not allowed to check out materials if they have an overdue book or unpaid fines. Damaged books will be fined according to the amount of damage to the book. Books not returned within 30 days will be assumed lost, and the student will be billed for the replacement cost of the book. Students may set up an Overdrive account to check out books to read on electronic devices.

CELL PHONES, EARBUDS, HEADPHONES

Warner Middle School is committed to providing a safe, welcoming environment for students, staff, and parents. It is of great importance that students are able to learn in a distraction free environment. The following are the guidelines for Warner's Cell Phone Policy:

1. **Cell phones AND earbuds are not allowed to be used on campus and must be powered off and out of sight in classrooms and hallways**, unless given direct permission from a staff member.
2. Warner does not guarantee safety and security of valuable items, especially cell phones, earbuds, and other personal technology. Students bring cell phones at their own risk.
3. No video recording or pictures on campus unless given direct, explicit permission from a staff member.
4. If your student brings a cell phone to school, please install a tracking device. Instructional minutes will **NOT** be used to find missing or stolen phones.
5. If you need to get a hold of your child, you may call the front office. Please **DO NOT** text or call their cell phone during school hours.
6. If your child needs to get a hold of you, they may use school phones.
7. Cell phones and earbuds may be confiscated by an adult on campus if a student violates the school cell phone policy. Please see below for detailed consequences for cell phone and earbud use.

The district or school is not responsible for any device or personal property that is lost, stolen, or damaged, even after it is confiscated.

1st Offense – Just a Heads-Up!

- Phone is confiscated
- Student may pick it up from the front office after school
- You get a warning – no big deal, but don't do it again!

- Student + Parent meet with an administrator
- Phone is returned only after signing an Electronic Device Contract

Remember: Keep your phone off and put away during school hours to avoid consequences!

WSD HOMEWORK POLICY

Homework is an extension of the learning process that takes place during school hours. Parent encouragement and assistance is vital to ensure the success of homework. Please support your child to complete homework in all classes. The District's suggested time schedule for homework is:

Grade Level	Average Daily Time
Sixth	60 minutes
Seventh/Eighth	90 minutes

It is recommended that ALL students read at least 20 minutes a night (a book of their choice), in addition to their assigned homework.

Following an excused absence, a student has the same number of days as he/she was absent to make up the work. Students are responsible for finding out and completing all missed work during an excused absence. Failure to regularly return completed homework on time will be reflected in the student's grade. Please check each teachers' syllabus for policies regarding make-up work. Students have a right to receive feedback on their work within a responsible time; however, teachers are not required to make it a priority to update Jupiter Ed for late work.

PROGRESS REPORTS and REPORT CARDS

Report cards are mailed home at the end of each trimester. Additional report cards can be printed from Aeries. It is important for parents to attend Goal Setting Conferences in the fall. Conferences in the spring are only for students at risk of failing.

Progress reports are issued during the sixth week of each trimester of school to any student who is receiving a grade of "D" or "F". Parents should message the teacher via email or JupiterEd if they have any questions or concerns regarding their student's grades or assignments. Parents are responsible for monitoring their student's grades and assignment completion.

ACADEMIC HONESTY & ARTIFICIAL INTELLIGENCE

Warner Middle School believes that academic honesty and personal integrity are fundamental components of a student's education and character development. We expect that students will not cheat, lie, plagiarize, or commit other acts of academic dishonesty. Individual students are responsible for their own work and actions. Therefore, the following is in effect at Warner Middle School:

Cheating - definition

When a student does something dishonest in academic work that misrepresents what they understand or are able to do for an unfair advantage.

Plagiarism - definition

When using AI, students will engage with AI to serve as an assistant or a tutor without giving answers. (Education Code 33548)

Only AI apps or existing apps with embedded AI that abide by student data privacy laws will be permitted. Only AI apps that function in a "walled garden" to protect students from access to inappropriate use of AI will be permitted. Using AI for non-educational activities or submitting AI work as original student work within the school context is prohibited. Student use of AI must respect copyright laws, privacy norms, and the intellectual property rights of others. AI shall not be used to engage in plagiarism, cheating, or any form of dishonesty in academic work. (Education Code 33328.5)

If you do an assignment on a computer, using AI, it is considered cheating. Any use of AI for assignments MUST be discussed with the teacher ahead of time. If there is a question about how much of the work was yours, you may be asked to reproduce the assignment on paper, and the work quality and ideas will be checked against the plagiarized version.

METAGLASSES

Under current WSD policy, Meta Glasses are prohibited wearable/mobile technology on campus. **STUDENTS WITH METAGLASSES WILL BE ASKED TO REMOVE THEIR GLASSES AND A FAMILY MEMBER WILL BE ASKED PICK UP GLASSES.**

Students are responsible for their own books, backpack, Chromebook and personal items. Students should not bring valuable items to school. Students are responsible for loss/damage to all textbooks, Chromebook, or school property. It is the responsibility of each student to keep textbooks and Chromebook in good condition and in the condition received. Students must bring their Chromebook case with them to school every day along with the Chromebook itself.

FUNDRAISERS

Fundraisers are held by ASB, PTA or other clubs to raise money to support programs. No student may sell items on campus for another organization. Students are not allowed to sell anything on campus unless it is sponsored and approved by Warner's Student Government.

LOST AND FOUND

The Lost and Found is a courtesy service provided by the school. It is located next to the student window and is the student's responsibility to check items before or after school (not during school).

ILLNESS AND MEDICATION

If an illness or injury occurs after a student arrives at school, he/she should first report to the teacher and then to the office. Our health technician is on duty from 8:00am to 2:00pm daily. **UNDER CALIFORNIA STATE LAW, WHEN PRESCRIBED MEDICATION MUST BE GIVEN DURING SCHOOL HOURS, PROPER FORMS MUST BE FILLED OUT BY THE DOCTOR AND PARENT. ALL MEDICATIONS MUST BE STORED IN THE OFFICE.**

MEDICAL INSURANCE

Although care is exercised to prevent accidents, neither the Board of Trustees nor the school can assume responsibility for accidents or injuries to students. Parents are encouraged to have medical insurance for their child to cover any costs that may be incurred in the case of illness, accidents, or injuries.

PUBLIC DISPLAYS OF AFFECTION

There is to be no intimate display of affection between or among any students while on campus. Kissing, hugging, and hand-holding are not acceptable school behaviors.

RESTROOMS

In order to maximize the use of class time, students are to use restrooms during non-class hours; before school, during break time, during lunch and after school. During class time, students must obtain permission and carry a hall pass from the teacher in order to use the restroom. Each student is responsible for maintaining the restrooms. Students who willfully damage the restrooms will be subject to the strictest discipline measures.
