

The Mission of the Green Bay Area Public School District is to educate all students to be college, career and community ready, inspired to succeed in our diverse world. Green Bay Area Public School District’s Strategic Plan.	School Mission: East High School (EHS) is a place where, through our collaborative effort, we will provide a safe and secure learning environment where students are valued. Students graduate ready for the community as lifelong learners. School Vision: We will monitor each student's learning on a timely basis and provide additional time and support for learning until the student becomes proficient. Wishful thinking and good intentions do not improve schools. Researched based systems and actions will provide us with the results necessary to improve student learning which is our #1 priority.
