WESTPUT Connect

Different boards. Shared ideas.

Connect • Learn • Advocate

What's another school board doing that yours isn't?

WestPut Connect gives you a chance to meet school board members from other Westchester and Putnam districts, compare experiences, and discover different ways boards approach their work.

THREE CONVERSATIONS. THREE NEW CONNECTIONS.

NOVEMBER • JANUARY • MARCH

30 minutes. Three different board members.
You choose how you connect: phone, video, or in person.

WHAT WILL WE TALK ABOUT?

Your district. Your board. Your experiences.
Share what's working, hear how other boards do things, learn what's happening in other communities, and see how another board's perspective compares with your own.
No agenda. No homework.
Just a good conversation with someone new.

READY TO CONNECT?

Sign up by the end of October

HOW WESTPUT CONNECT WORKS

1. **SIGN UP**
Complete the short interest form by the end of October.

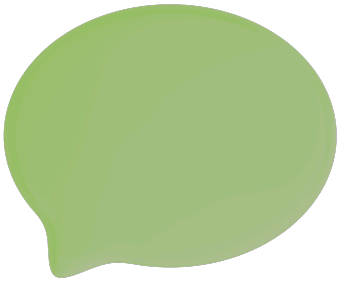

2. **GET MATCHED**
We'll match you with a different school board member for each conversation, using a combination of interests and other factors.

3. **GET INTRODUCED**
WestPut will email you and your match to make the introduction.

4. **CONNECT**
You and your match decide when and how to meet. Phone, video, coffee, lunch—it's up to you!

5. **DO IT AGAIN**
You'll have three conversations with three different colleagues:

NOVEMBER → JANUARY → MARCH

Each conversation is about 30 minutes.

A QUICK NOTE

WestPut Connect is about sharing experiences, not giving advice.

Keep confidential district information out of the conversation and keep things informal. If a question comes up that needs an official answer, WestPut is always happy to help point you in the right direction.

WHO CAN PARTICIPATE?

All current school board members in Westchester and Putnam Counties.

There is no fee to participate.
