The **Westchester Putnam School Boards Association (WPSBA)** provides member school districts with programs focused on education issues, public policy, and school board development, along with legislative advocacy and valuable networking opportunities.

Connect • Learn • Advocate

WPSBA sponsorship gives your organization an opportunity to **increase visibility, build name recognition, and develop relationships** with more than 400 school board members and administrators throughout Westchester and Putnam counties.

Through sponsorship, your organization can connect with the WPSBA community through networking opportunities, program participation, event recognition, digital communications, and print advertising.

Reach the Education Community

All WPSBA sponsors and advertisers in *Facts & Figure\$* are showcased in our **2027 edition**, our annually produced publication featuring up-to-date data on the **54 school districts** in Westchester and Putnam counties.

More than 650 copies are distributed to school board members, administrators, legislators, public libraries, and others. *Facts & Figure\$* is also regularly accessed electronically through **wpsba.org**, extending your visibility beyond the printed publication.

Show Your Commitment to Public Education

Partnering with WPSBA demonstrates your organization's support for public education while putting your name and message in front of key education leaders and decision-makers throughout our region.

Choose the sponsorship level that best fits your organization and connect with the WPSBA community in 2027.
