July 1, 2026

Hintgen Parents,

Listed below are the Field Trip Activity Fees for the 2026-27 school year for each grade. At the end of each year, any unspent funds roll up into the next grade level with the students. We are able to use the rollover funds to help keep the cost of the classroom activity fees down. Teachers have planned their field trips for the year and the district provides some field trips at no cost to students. The district funded trips are part of the Science, Social Studies, and Tech curriculums. The district is funding our garden this year so there will be no garden fees.

Information for payment of fees (field trip, yearbook, and iPad insurance):

- Payments may be paid with cash, check, or online using Family Access (Fee Management).
- Checks should be made payable to: **School District of La Crosse** and the memo line should say **"Hintgen"—followed by "Field Trip," "Yearbook," or "iPad Insurance."** We prefer that you use separate checks for each type if possible.
- If paying with cash or check, please put the payments in the envelopes provided in this mailing and bring it with you to Hintgen on Registration/Picture Day, Wednesday, July 29th. If you are unable to be there that day, please bring it on or before the first day of school. Pictures may be paid for online at www.strawbridge.net, using code ??????? (on order form), or by putting a check or cash in the special Strawbridge envelope and bringing it with you on Pictures & Registration day.
- If you are paying with cash, please note that we will NOT have change here in the office. You will need to bring the exact amount for each payment.
- Please call the school or send a ParentSquare message or an email to hintgen@lacrossesd.org if you have any questions.
