August 1, 2026

Hintgen Families/Parent/Guardians,

Welcome to the 2026-27 school year! Here at Hintgen we want to extend a special welcome to all the new students and families. Please let us know if we can be of assistance in any way. When we partner together, we can ensure your son/daughter is successful here at school, and we are looking forward to our partnership this year!

Within this folder you will find materials that will be helpful to know the policies, procedures, and expectations here at Hintgen Elementary School. Please be sure to take the time and review the Hintgen handbook and other paperwork. Please pay close attention to the sections concerning our PBIS school-wide expectations and procedures. It is our hope that by providing these expectations at the onset of the year, you will be able to help us reinforce these expectations throughout the school year and help to hold your child accountable.

We have also included an “Excused Absence Request” form for your convenience. If you know in advance that your child will need to be absent from school for 3 or more days, please complete this form and turn it into the main office. Absences such as a family vacation or pre-planned event(s) are examples of extended absences. This is also a good way to ensure that all staff are aware of the planned absence ahead of time so that any anticipated missed work can be completed prior. If you need another copy of the form, please contact the school office.

The School District of La Crosse does not carry accident insurance to cover student falls or other accidents, which may happen at school and require medical attention. Parents are able to sign up for the insurance while completing the online Student Info Update in Family Access.

If your child is a bus rider, we encourage you to get the new Stopfinder app. This app replaces the Here Comes the Bus app. There is a flyer in your folder with a QR code to use for signing up. You will be able to see your pickup and drop off times (which will change a little in the first few weeks), track where your child’s bus is at in real time, and much more.

Should you have questions about school, please feel free to call the school office from 7:15 AM – 3:15 PM. We encourage you to sign up for the Parent Square app if you have not done so already. Our monthly newsletter will detail upcoming events at Hintgen and provide other important news from the district and aim to keep you informed of all school information. In addition, you can always check out both the School District of La Crosse homepage, our Hintgen homepage, and our Hintgen Facebook page for up-to-date news and information.

I am looking forward to partnering with you this year to ensure another successful school year and I cannot wait to see the smiling faces again in the hallways in a few short weeks! During the year, if you should have any questions, please feel free to contact me at school at your convenience either via email at aoliver@lacrossesd.org, via phone at 608.789.7767 or stop in at Hintgen anytime – you are always welcome!

Your partner in education,

Amy Oliver, Principal
