ALL PERSONNEL – PUBLICATION OR CREATION OF MATERIALS

The School Board recognizes the importance of creating a work environment that encourages employee innovation in creating and developing high-quality materials to improve student achievement and the efficiency of district operations.

Instructional materials, computer programs, and other copyrightable materials developed by an employee within the scope of his/her employment shall be the property of the district.

The Superintendent or designee may secure copyright in the name of the district for all copyrightable works developed by the district. All royalties or revenues from these copyrights shall be used for the benefit of the district.
