CERTIFICATED PERSONNEL – NON-SCHOOL EMPLOYMENT

The School Board recognizes that district employees may receive compensation for outside activities if these activities are not inconsistent, incompatible, in conflict with, or detrimental to the employee's duties or to the duties, functions, or responsibilities of the district. Outside paid activities are incompatible with district employment if they require time periods that interfere with the proper, efficient discharge of the employee's duties, if they entail compensation from an outside source for activities which are part of the employee's regular duties, or if they involve using for private gain the district's name, prestige, time, facilities, equipment, or supplies.
