

FLAT ODYSSEUS

Embarking on an adventure?
Take Odysseus with you!
To the beach! To the
movies! Into battle! Send
him anywhere—no raft
required!

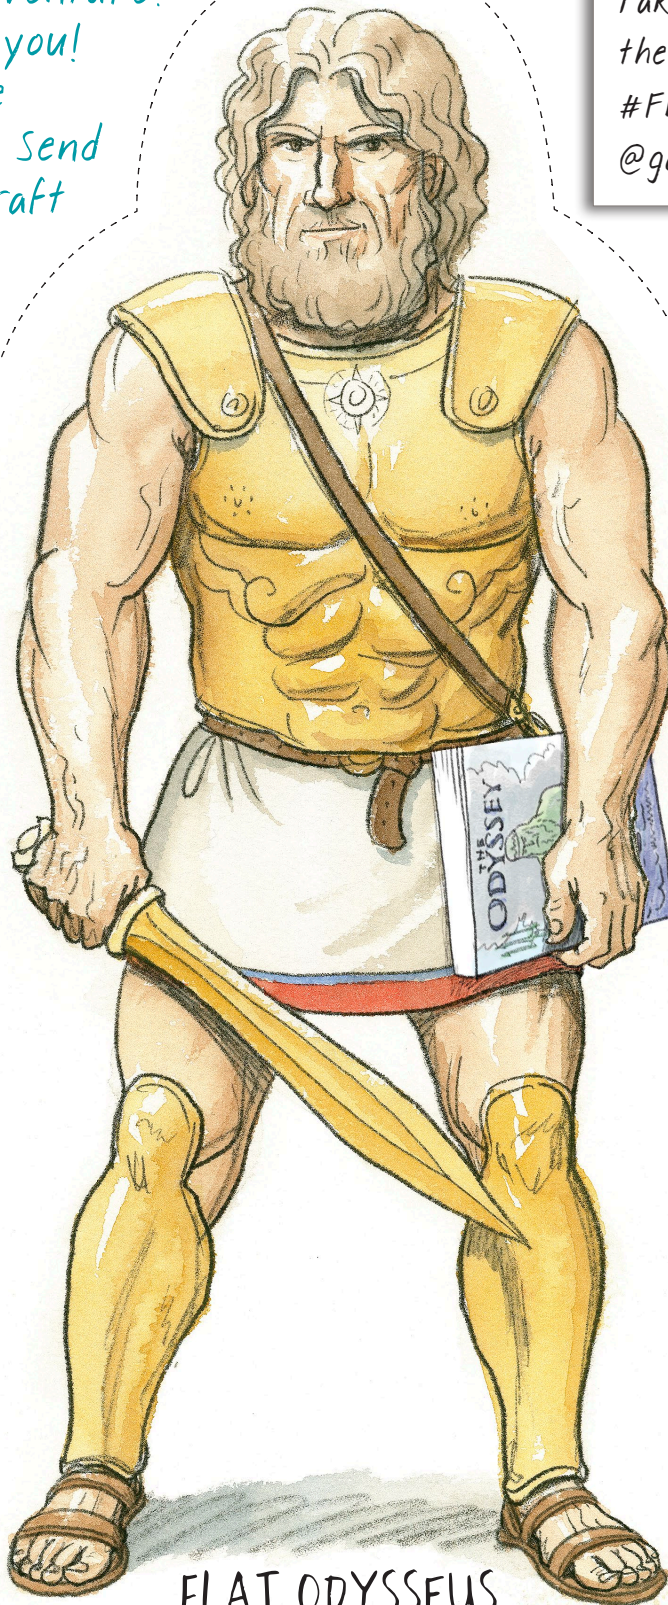

- Slays monsters!
- Solves problems!
- Tells tall tales!
- Slides past
whirlpools and
Sirens!
- Slips easily into
hollow horses,
harbors, and
handbags!
- Can be used as a
bookmark!

Cut along dotted line. Flaps can be folded back and taped together so Odysseus can stand unassisted.

(For best results
print on cardstock.)
