Student Success- ELA and Math

IT OBJECTIVE

Increase student engagement, achievement, and academic growth in ELA and mathematics through the implementation of high-quality, standards-aligned instruction and assessment practices.

CRITICAL INTERVENE

Implement standards-aligned ELA and math instruction emphasizing rigorous Tier I practices, differentiation, learning targets, formative assessment, discourse, and higher-order thinking.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity Timeline
Conduct weekly collaborative planning focused on unpacking standards, developing lesson and unit plans, and analyzing student data to inform instruction.	Principal, Assistant Principal, Instructional Leadership Team, Content Leads	Wahlberg Center of Excellence Collaborative Planning Guide, district pacing guides, instructional calendars	Weekly PLC agendas/notes, lesson plans with learning targets and success criteria, evidence of data-driven adjustments	8/17/26	8/24/26 - 5/27/27
Conduct regular classroom walkthroughs to monitor instructional rounds implementation of standards-aligned instruction and math practices.	Principal, Assistant Principal, Instructional Leadership Team	Walkthrough data collection tool, Instructional Rounds protocol, list of priority look-fors	Walkthrough, eCICO, and observation data; number of identified Tier 1 practices	8/24/26	9/21/27 - 5/27/27
Establish baseline walkthrough data for identified Tier 1 instructional practices (e.g., learning targets, success criteria, questioning, discourse, differentiation) to inform professional learning and support.	Principal, Assistant Principal, Instructional Leadership Team	Walkthrough data collection tool, Instructional Rounds protocol, list of priority look-fors	Baseline walkthrough data for identified Tier 1 instructional practices (e.g., learning targets, success criteria, questioning, discourse, differentiation) to inform professional learning and support.	9/21/27	9/21/27 - 5/27/27

CRITICAL INTERVENE

Strengthen teacher effectiveness through ongoing professional learning, PLCs, collaborative planning, instructional coaching, instructional rounds, and peer observations.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity Timeline
Provide ongoing professional development in ELA and math aligned to identified needs, including Wahlberg Center of Excellence ELA and math modules.	Principal, Assistant Principal, Instructional Leadership Team, Instructional Coaches	Professional learning calendar, district PD resources, Wahlberg Center modules, planning time	PD participation, exit ticket data, implementation walkthrough data, coaching logs	8/17/26	9/21/27 - 5/27/27
Facilitate consistent, focused classroom observations, feedback, and coaching cycles to address identified high-leverage instructional practices.	Principal, Assistant Principal, Instructional Leadership Team	Substitute teachers, observation protocols, coaching cycle templates, Wahlberg Center of Excellence modules	Instructional round observations, eCICO, and walkthrough data; number of teachers engaged in coaching cycles	9/21/27	9/24/27 - 5/27/27
Provide in-class and out-of-class opportunities for teachers to observe and receive feedback to improve instructional practices and implement strategies effectively.	Principal, Assistant Principal, Instructional Leadership Team	Substitute teachers, observation protocols, coaching cycle templates, Wahlberg Center of Excellence modules, planning time	PD attendance and walkthrough data; number of teachers engaged in coaching cycles; implementation of observed practices	8/17/26	7/30/27 - 5/27/27

CRITICAL INTERVENE

Provide equitable instruction, targeted interventions, and progress monitoring to accelerate achievement and reduce gaps for SPED, EL, and other identified student groups.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity Timeline
Analyze SPED, EL, and other subgroup data to identify trends, strengths, and gaps, and adjust instruction and supports as needed based on student needs.	Principal, Assistant Principal, Instructional Leadership Team, Special Education Teacher	ACAP, IEP, iReady, ELPAC, and other subgroup data reports, data analysis protocols, and intervention data tracking tools	Subgroup data reports and intervention logs	8/31/27	9/24/27 - 5/27/27
Provide differentiated small group instruction and targeted supports (e.g., push-in/pull-out) for SPED, EL, and other identified student groups in ELA and language tests.	SPED Teachers, EL Teachers, Instructional Assistants, Administration	Differentiated instructional materials, small group instruction spaces, intervention programs, iReady, ACAP, and student data	ACAP, iReady, ELPAC, and other assessment data; intervention logs; and student progress monitoring	8/17/26	9/21/27 - 5/27/27
Provide structured opportunities for students to engage in discussion, collaboration, and student-to-student interaction to support language development and student engagement.	Principal, Assistant Principal, Instructional Leadership Team, Content Leads	Student surveys, ELD standards, discussion protocols, collaborative learning structures, participation records, and observation tools	Student feedback & survey results, participation data, and observation notes	9/1/26	9/21/27 - 5/27/27

Safe and Supportive

IT OBJECTIVE

Create a safe, supportive, and welcoming school environment that promotes positive behavior, student well-being, respectful relationships, family engagement, and consistent implementation of school-wide systems, practices, and expectations.

CRITICAL INTERVENE

Use student voice, attendance, discipline, participation, and climate data to identify needs, monitor belonging and well-being, and guide continuous school improvement.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Data	Activity timeline
Collect and analyze student voice, attendance, discipline, and participation data to identify trends, needs, and areas for improvement.	Principal, Assistant Principal, Instructional Leadership Team	CI Hub/Panorama Student Voice Survey, attendance data, discipline data, participation records, and observation tools	Completed student voice survey data, attendance, discipline, and participation data reviewed, and trends identified	8/24/26	9/21/27 - 5/27/27
Provide structured opportunities for students to share their voice, build leadership skills, and contribute to school improvement efforts.	Principal, Assistant Principal, Instructional Leadership Groups	Student surveys, leadership meetings, feedback forms, discussion protocols, and student leadership groups	Student feedback & participation in leadership activities	9/1/26	9/21/27 - 5/27/27
Provide structured opportunities for students to share their voice, build leadership skills, and contribute to school improvement efforts.	Principal, Assistant Principal, Instructional Leadership Groups	Student surveys, CI Hub/Panorama Student Voice Survey, leadership meetings, feedback forms, discussion protocols, and student leadership groups	Student feedback & participation in leadership activities, and implementation of student-driven actions	9/1/26	9/21/27 - 5/27/27

CRITICAL INTERVENE

Enhance and sustain schoolwide practices that promote positive behavior, school well-being, respectful relationships, safety, and an inclusive environment for all students.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Date	Activity timeline
Strengthen implementation of consistent behavioral expectations, recognition, and restorative practices to support positive behavior and student engagement.	Principal, Assistant Principal, Teachers, Instructional Leadership Team	Schoolwide behavior matrix, recognition systems, restorative practice resources, and student behavior data	Referrals, suspensions, and student participation data reviewed for trends	8/17/26	9/21/27 - 5/27/27
Provide coordinated counseling, social-emotional, and student support services to address student needs and promote well-being, attendance, and engagement.	Social Worker, Counselor, Student Support Team	Tiller / social worker referral forms, student support plans, attendance and behavior data, progress monitoring tools	Student support referrals, attendance, and behavior data reviewed, and progress monitoring data	9/21/27	9/21/27 - 5/27/27
Strengthen effective, consistent, and equitable school-wide systems for attendance, behavior, and student support, as well as to address barriers, promote engagement, and sustain improvements.	Principal, Assistant Principal, Instructional Leadership Team, Teachers	PowerSchool attendance and behavior reports, attendance and behavior data, intervention tracking tools, conference documentation, and progress monitoring data	Increased average daily attendance, decreased chronic absenteeism, and reduced behavior incidents	9/17/26	9/21/27 - 5/27/27

CRITICAL INTERVENE

Increase student connections through the House System, clubs, athletics, fine arts, mentoring, leadership opportunities, and positive relationships with trusted adults.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Data	Activity timeline
Provide consistent House and Tribe structures, activities, and leadership opportunities to build belonging, collaboration, and a sense of identity.	Principal, Assistant Principals, House Leads, Teachers	House and Tribe structures, activity materials, student leadership opportunities, events, and recognition systems	Student participation data, attendance, and engagement data reviewed, and improved student belonging	8/21/27	9/21/27 - 5/27/27
Expand student participation in clubs, athletics, and fine arts activities to increase engagement, connection, and opportunities for leadership and skill development.	Principal, Assistant Principals, Athletic Director, Fine Arts Teachers, Club Advisors, Instructional Leadership Team	Participation rosters, activity schedules, transportation, supervision, and student interest surveys	Increased participation rates, student engagement, and diversity of student opportunities	8/21/27	9/17/28 - 5/27/28
Strengthen mentoring and relationship-building opportunities to ensure students have access to caring adults and connection with peers, including those who may be disengaged or need additional support.	Principal, Assistant Principals, Social Worker, Counselor, Teachers	Social worker, counselor, and teacher referrals, mentoring structures, and relationship-building activities	Increased participation in mentoring, improved student engagement, and reduced chronic absenteeism	9/24/26	9/21/27 - 5/27/27

Family and Community Engagement

IT OBJECTIVE

Strengthen meaningful partnerships with families, feeder schools, and community organizations to support student learning, engagement, and well-being through effective communication, collaboration, and shared responsibility.

CRITICAL INTERVENE

Provide families with resources, workshops, and strategies to support ELA, math, attendance, goal setting, academic progress, and student success at home.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Data	Activity timeline
Provide family engagement opportunities and resources to support student learning and well-being at home.	Principal, Assistant Principal, Instructional Leadership Team	Parent-instructional resources, workshop materials, family engagement plans, district/school communication platforms	Family participation, attendance, and feedback data collected	9/1/26	9/21/27 - 5/27/27

CRITICAL INTERVENE

Partner with feeder schools and families to strengthen middle school transitions, promote Eastwood's programs and opportunities, and support successful student adjustment.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Data	Activity timeline
Establish regular collaboration with feeder schools to share information, align transition supports, and coordinate activities, and support successful student adjustment as they enter Eastwood.	Principal, Assistant Principal, Counselor, Feeder School Counselors, Instructional Leadership Team	Feeder school contact lists, transition meeting agendas, student information, and collaboration tools	Feeder school collaboration meetings held, transition activities coordinated, and information shared	9/1/26	9/21/27 - 5/27/27
Provide transition-related events, activities, and resources to support students and families as they enter Eastwood.	Principal, Assistant Principal, Counselor, Teachers	Transition materials, orientation events, student leaders, presentations, and communication tools	Increased transition events, participation, and student engagement	1/1/27	9/21/27 - 5/27/27
Provide consistent family engagement opportunities, including parent workshops, activities, and events to support student learning and transition.	Principal, Assistant Principal, Counselor, Teachers	Parent/guardian communication tools, feeder school partnerships, and family engagement materials	Documented family engagement activities and participation	9/21/27	9/21/27 - 5/27/27

CRITICAL INTERVENE

Strengthen partnerships with community organizations and stakeholders to expand academic, enrichment, mentoring, and support opportunities for students and families.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Data	Activity timeline
Maintain partnerships with community organizations to provide resources, support services, and enrichment opportunities for students and families.	Principal, Assistant Principal, Partner Contacts	Partnership agreements, community resources, and communication tools	Number of active partnerships, student participation in partner programs, and resources provided	8/17/26	9/21/27 - 5/27/27
Engage community partners to provide mentoring, tutoring, enrichment, and real-world learning opportunities.	Principal, Assistant Principal, Social Worker, Counselor, Community Partners	Community mentors, volunteers, program materials, and student interest surveys	Increased mentoring and enrichment participation and positive student feedback	9/21/27	9/21/27 - 5/27/27
Connect students and families with community resources, including housing, employment, childcare, social services, and basic needs support.	Social Worker, Counselor, Community Partners	Local resource directory, community partner contacts, and referral tracking tools	Documented referrals, services accessed, and follow-up completed	9/21/27	9/21/27 - 5/27/27

Engagement of Learning

IT OBJECTIVE

Increase student engagement and ownership of learning through rigorous, relevant instruction that builds critical thinking, collaboration, and academic confidence.

CRITICAL INTERVENE

Increase rigorous, relevant instruction that actively engages students in collaboration, academic discourse, student ownership, critical thinking, and application.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Data	Activity timeline
Increase the consistent use of structured academic discourse strategies to support student engagement, collaboration, and deeper thinking.	Principal, Assistant Principal, Instructional Leadership Team	Instructional resources, discussion protocols, collaborative learning structures, and professional learning materials	Walkthrough and observation data, student participation in discussion, and evidence of student engagement	8/17/26	9/21/27 - 5/27/27
Increase rigorous instruction by providing students with opportunities to engage in analysis, application, and problem-solving that promotes higher-order thinking.	Principal, Assistant Principal, Instructional Leadership Team, Content Leads	Wahlberg Center of Excellence modules, Depth of Knowledge resources, and instructional materials aligned to rigorous standards	Lesson plans, walkthrough data, and student work samples showing increased use of higher-order thinking	8/17/26	9/21/27 - 5/27/27
Monitor student engagement and academic progress to identify disengagement, misconceptions, and learning gaps, and adjust instruction and supports to strengthen learning outcomes.	Principal, Assistant Principal, Instructional Leadership Team, Teachers	eCICO data, walkthrough data, student work samples, and progress monitoring tools	Increased student engagement and participation data, reduced misconceptions, and improved academic outcomes	8/21/27	9/21/27 - 5/27/27

CRITICAL INTERVENE

Integrate digital tools and technology to increase student engagement, support differentiation, and develop digital literacy, creation, and collaboration skills.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Data	Activity timeline
Integrate digital tools and technology to increase student engagement, support differentiation, and develop digital literacy, creation, and collaboration skills.	Principal, Assistant Principal, Instructional Technology Lead	Student devices, digital learning platforms, technology integration resources, and professional learning materials	Walkthrough and observation data, student participation in digital activities, and evidence of student engagement	8/17/26	9/21/27 - 5/27/27
Provide collaborative learning and support opportunities for students to engage in discussion, problem-solving, and shared exercises.	Principal, Assistant Principal, Instructional Leadership Team, Teachers	Technology integration resources, collaborative learning structures, and professional learning materials	Teacher participation in professional learning, and increased use of collaborative learning practices	9/1/26	9/21/27 - 5/27/27

Expand opportunities for student voice, choice, leadership, clubs, House, athletics, fine arts, and enrichment that connect student interests to school experiences.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Data	Activity timeline
Provide structured opportunities for students to share their voice, build leadership skills, and contribute to school improvement efforts.	Principal, Assistant Principal, Instructional Leadership Groups	Student surveys, leadership meetings, feedback forms, discussion protocols, and student leadership groups	Increased student participation in leadership activities, and implementation of student-driven actions	9/24/26	9/21/27 - 5/27/27
Increase access and participation in clubs, athletics, fine arts, and enrichment activities to support student engagement and connection.	Principal, Assistant Principal, Athletic Director, Fine Arts Teachers, Club Advisors, Instructional Leadership Team	Club and House activities, athletic programs, fine arts opportunities, and student interest surveys	Increased student participation, diversity of student engagement, and engagement and retention	8/17/26	9/21/27 - 5/27/27

CRITICAL INTERVENE

Enhance the 21st CCLC program through targeted ELA and math support, academic enrichment, and collaborative learning experiences to increase student achievement, engagement, and ownership of learning.

Activities	Person(s) Responsible	Required Resources	Activity Measures	Launch Data	Activity timeline
Provide targeted ELA and math tutoring, small group instruction, and academic support aligned to daily school instruction.	21st CCLC Program Coordinator, Site Director, After School Instructional Staff	21st CCLC funding, certified teachers, instructional materials, technology, and student data from school day instruction	Student attendance and participation records ELA and math assessment data, and progress monitoring data	8/17/26	9/21/27 - 5/27/27
Provide targeted ELA and math tutoring, small group instruction, and academic support aligned to daily school instruction.	21st CCLC Program Coordinator, Site Director, After School Instructional Staff	21st CCLC funding, certified teachers, instructional materials, technology, and student data from school day instruction	Student attendance and participation records, and assessment and progress monitoring data	8/17/26	9/21/27 - 5/27/27
