

We challenge you to join us! Together, we can give the gift of an Aiglon education.

Thanks to our community's incredible support, philanthropy now funds over 50% of our annual scholarship budget. Philanthropy enabled us to welcome 22 remarkable scholars from underprivileged global communities to Aiglon for the 2026/27 school year.

While our comprehensive programme is world-leading, true excellence constantly evolves. This year, we are expanding our vision to ensure our scholars are not only supported during their time at Aiglon, but are fully equipped to thrive long after they graduate.

Thank you to our loyal, annual, and monthly donors. If you have not given to Aiglon before, we kindly ask you to consider joining hundreds of your fellow global community members by participating in this year's Annual Giving Appeal.

Double Your Impact

Todd Barbey (Clairmont, 1967) is once again matching every alumni and alumni parent gift up to a collective CHF 150,000.

Last year, Todd matched **CHF 156,443.79** of your donations, meaning this initiative raised over **CHF 300,000**. Together, let's maximise this opportunity again!

Every Swiss franc you give to Aiglon goes directly to education.

N. Sparrow

As a not-for-profit school, we are guided by our founding principles, not shareholders. This means we trace every donation, giving you total transparency over how your support transforms lives.

We are profoundly grateful to our global community for investing in Aiglon's future and that of our scholars. Your generosity supports our life-changing scholarships, advances our world-class campus facilities, and drives our cutting-edge educational programmes. Please join us again this year by making an Annual Gift to Aiglon.

Nicola Sparrow
School Director

The Power of Participation

In the 2025/26 school year, your collective impact has made sustaining and growing our scholarship programme possible.

2.32m

raised collectively for
Scholarships (in CHF)

234

unique donors unlocked
these life-changing
opportunities.

645

individual gifts made
to Aiglon.

*Thank you!
Every single
contribution helps us
Go Beyond.*

Building the Future Together: a global community with foundations of kindness and generosity.

Name a seat in the Upper Campus Football Pitch for
CHF 500

Ever since its founding, Aiglon has had football teams, and today the beautiful game is beloved by our juniors and seniors, boys and girls. The new pitch is accompanied by a 220-seat stand. Sponsor and name your seat and all donations will go to support the scholarship programme.

Higher Education Scholarship Fund (HESF)

Sonisa's story on the postcard shows the magic of your support. In 2026, the new HESF helped 8 Aiglon scholarship graduates transition successfully to college. While they earned USD 2.8 million in scholarships, the HESF grants – totalling USD 124,000 over their collective 4 year degrees – will cover costs such as Expected Family Contributions, insurance, and setup costs that they otherwise simply could not afford.

Make an Impact Every Single Month

Support Aiglon monthly through our tax-efficient Myriad Alliance partners (USD/GBP/CAD). Sustained giving creates reliable impact – and every gift matters. Already, 25% of Aiglon staff give monthly. Will you join them this year?

CHF 50/month

This would help
a graduating scholar
set-up their dorm
room at college

CHF 250/month

This would cover
a graduating scholar's
health insurance
through the HESF
