

# Updated New York State Regents Exams and Associated Courses

ATTN: DDC, Curriculum Dept.

FINAL

Helpdesk: [DWTShelp@esboces.org](mailto:DWTShelp@esboces.org)

## Updated Exam Descriptions and Course Codes

These are the only Course Codes that should be used with ANY COURSE  
THAT ENDS IN A REGENTS EXAM\*

| <u>Exam Name</u>                            | <u>Course Code</u> |
|---------------------------------------------|--------------------|
| Regents Algebra I                           | <u>02050</u>       |
| <u>Regents Algebra II</u>                   | <u>02056</u>       |
| <u>Regents Earth and Space Sciences</u>     | <u>03008</u>       |
| <u>Regents English Language Arts</u>        | <u>01003</u>       |
| <u>Regents Geometry</u>                     | <u>02072</u>       |
| <u>Regents Global History and Geography</u> | <u>04052</u>       |
| <u>Regents Life Science: Biology</u>        | <u>03050</u>       |
| <u>Regents Physical Science: Chemistry</u>  | <u>03120</u>       |
| <u>Regents Physical Science: Physics</u>    | <u>03170</u>       |
| <u>Regents US History and Govt:</u>         | <u>04101</u>       |

**\*If you have students who are taking the final administration of the  
“old” Regents Phy Set Chemistry (03101) in January, you must  
submit a file**

## Resources

- [New Regents Implementation Memo](#)
- [NYS Comprehensive Course Catalog \(SCED\)](#) - AUTOMATIC Excel DOWNLOAD

## To Do:

- ❑ LEAs must be sure that the updated Regents Descriptions and Course Codes are correct in their Student Management Systems
  - DO NOT schedule students into sections that use defunct Exam Names and Course Numbers
