

THIS IS WHAT **MORE** LOOKS LIKE

**Your support
sets the stage for our
students to shine.**

At West End Day School, **MORE** looks different for every child.

-  **MORE** looks like raising a hand—and trusting that your ideas matter.
-  **MORE** looks like making a friend—and feeling that you belong.
-  **MORE** looks like taking the stage—and discovering your confidence.
-  **MORE** looks like trying again—even when something is hard.
-  **MORE** looks like wanting to come to school.

For a child who has struggled to feel successful or understood, having teachers, counselors, and a community who recognize their strengths and help them navigate challenges can transform how they see themselves—and what they believe is possible.

MORE Looks Like **YOU.**

Tuition covers much of a West End Day School education, but it does not cover the full cost. The WEDS Fund helps bridge that gap, sustaining the depth of care and expertise our students count on every day.

YOUR GENEROSITY HELPS PROVIDE:

- **More individual attention:** Small classes and instruction shaped around each child's strengths and needs.
- **More support throughout the day:** Counseling and social-emotional learning that help students navigate challenges and build relationships.
- **More opportunities to discover their strengths:** Hands-on learning, creative experiences, and chances to try something new.
- **More for the whole family:** A community that supports, understands, and stays connected to families from their first day at WEDS through graduation—and beyond.

**Be a part of
the picture.**

THE
WEDS
FUND

Maximize Your “More”

Give today: Make your gift at westenddayschool.org/giving.

Double your impact: If your employer matches charitable contributions, your gift could go twice as far.

Give throughout the year: A monthly or quarterly recurring gift lets you spread your contribution over time while providing steady support for our students.

Every gift matters. Together, our generosity helps students build confidence, find connection, and see more possibilities for themselves.

To discuss giving options, contact Head of School **Carrie Catapano** at ccatapano@westenddayschool.org or Director of Communications **Patty Onderko** at ponderko@westenddayschool.org.
