October 16, 2026

Dear Parent/Guardian:

In spring 2026, your student participated in the New Jersey Student Learning Assessments-Adaptive (NJSLA-A) and/or the New Jersey Student Learning Assessment-Science (NJSLA-S). These statewide assessments measure student achievement in English language arts (ELA), mathematics, and science based on the New Jersey Student Learning Standards (NJSLS). The assessments provide information about your student's academic progress in relation to the New Jersey Student Learning Standards (NJSLS) available at nj.gov/education/standards and can help identify areas of strength as well as areas where additional support may be beneficial.

Your student's NJGPA-A Individual Student Report (ISR) has been uploaded to the [Genesis Parent Portal](#). The ISR provides information about your student's performance for each content area in which they tested and shows how well your student demonstrated the knowledge and skills measured by each assessment. The reports also include information that may help support discussions about your student's academic progress. Assessment results provide one measure of how students are progressing toward meeting those expectations.

Your student's ISR is also available in the New Jersey Family Portal at nj-familyportal.cambiumast.com. This portal enables you to view test results online and includes information such as a glossary of assessment terms and access to helpful resources. To access the family portal, you will be asked to type the access code on the ISR, student first name and student date of birth to enter the Family Portal.

For additional information about these assessments, please visit the NJDOE Assessments webpage at nj.gov/education/assessment/adaptive for a series of pamphlets focused on providing a quick overview of the new assessments. You may also wish to visit the Students & Families page on New Jersey Assessments Portal at nj.portal.cambiumast.com.

If you have any questions about accessing your scores through Genesis, please contact genesissupport@mtsd.us.

If you have any questions about your student's results, please feel free to contact your child's counselor or case manager. Thank you for your continued partnership in supporting your child's learning.

Sincerely,

A handwritten signature in cursive script that reads "Damian C. Pappa".

Damian Pappa

Assistant Superintendent of Schools
