

Cub Scout Pack 102

Why Pack 102? Pack 102 is where curiosity meets adventure! From rocket launches, Mad Crazy Science nights, and Pinewood Derby engineering to stargazing with telescopes and hands-on nature experiments, our Pack dives into real world adventures that spark imagination and growth. Along the way, scouts build confidence, leadership, and friendships that last a lifetime. Pack 102 is family centered, science driven and full of discovery, making every meeting an opportunity to learn, create and shine!
