

## Ski Sundown Safety Guidelines and Helpful Hints

### Clothing

- Be prepared for the weather. It may be warm where you go to school, but it gets colder after dark, especially on the mountain!
- Mark clothing clearly with your name. If an item is lost, check Lost & Found in the Ski Shop above Rentals. There is also a form on our website to report any lost items.

### Equipment

- Mark equipment clearly with your name to prevent your items from getting lost or stolen. If an item is lost, check Lost & Found or report item lost through the form on our website.
- Skis and Snowboards belong in racks. Pick a place on any rack and try to use it every time so that it becomes routine. Do not leave equipment laying in the snow.
- If you have your own equipment, make sure you can put it on/off without assistance. Also, try on your boots and make sure they fit.

### Know the Mountain

- Know the Trail Signs: Green Circle = Easier, Blue Square = More Difficult, Black Diamond = Most Difficult, Double Black Diamond = Extremely Difficult
- Do not go on trails marked above your ability
- Avoid snowmaking equipment on the trails
- Understand that conditions vary according to the weather and time of day
- Be aware that grooming will occur anytime between 6 and 7pm nightly. Stay clear of grooming equipment on the mountain.
- DO NOT SKI UNDER ROPES MARKING A CLOSED TRAIL

### We are a Community

- As a community of skiers and snowboarders, watch out for each other. Keep each other safe.
- Don't try to convince your first-time skier/rider friend to go on terrain that is too difficult for them.
- Your most important piece of safety equipment is your brain. Use it.

**Special Needs:** Please let us know if there are any children with any medical issues that we should be aware of (allergies, insulin, etc) or other health issues we should be aware of. It is important to us that the children have a great experience here at Ski Sundown and we will make every effort to make sure that happens. For any other children who have specific needs that require specialized assistance, we have an **Adaptive Program** at Ski Sundown for just this purpose. The parents can contact the Adaptive Program directly at [summitskisundown@gmail.com](mailto:summitskisundown@gmail.com) for availability, pricing and scheduling.
