

Cache County School District

Policy Series 3000: Building and Campus Safety and Security

Policy No. 3700

Building and Campus Safety and Security

The Cache County Board of Education recognizes that maintaining safe and secure school facilities and campuses is essential to protecting students, employees, volunteers, and patrons. The Board is committed to providing secure learning and working environments through standardized building access procedures, visitor management practices, monitoring systems, and employee responsibilities related to school safety and security.

To support the safety and security of all district facilities and campuses, the district shall maintain controlled access systems and appropriate security measures in school buildings and district facilities. Security procedures may vary based on school schedules, extracurricular activities, weekends, holidays, emergency situations, or administrative approval.

The board directs the Superintendent or designee to establish administrative procedures necessary to implement this policy, including procedures such as the following:

- 1) Building and Campus Access;
- 2) Door Monitoring and Access;
- 3) Educator Protectors;
- 4) Emergency Preparedness and Response;
- 5) Firearms and Concealed Weapons;
- 6) Identification;
- 7) School Guardians;
- 8) Staff Safety Responsibilities;
- 9) Student Release;
- 10) Video Surveillance and Records Management;
- 11) Visitor Management; and
- 12) And all other procedures required by the state.
