RE: Optional Student Laptop Insurance 2026-27 School Year
New Student Entrants enrolled after September 30, 2026

Dear Parents and Guardians,

This letter will provide you with information regarding an optional laptop insurance coverage program that is being offered through the *Worth Avenue Group Insurance Company* for $54 per year (**prorated for new students**). This information is specific for new student entrants into the district who enrolled after September 30, 2026.

Chromebook (laptop) insurance covers cracked screens, spills and liquid submersion, fire, flood and natural disaster, power surge by lightning, vandalism and theft. Chromebook (laptop) insurance does not cover manufacturer defect and mechanical failure, cosmetic damage, wear and tear, and unexplained loss.

NO INSURANCE coverage:
If the Chromebook (laptop) insurance is not purchased, parents and guardians are responsible for the full cost of all repairs. The following examples include typical costs but are subject to change:

Chromebook (laptop) Damage	Cost to Repair	Without Insurance	With Insurance
Cracked screen	$150.00	$150.00	no cost
Liquid damage including motherboard	$149.00	$149.00	no cost
Broken keyboard	$50.00	$50.00	no cost
Broken/lost charger	$35.00	$35.00	no cost
*Broken hinges	$100-$475	$100-$475	no cost
Please be sure to check the Chromebook (laptop) for missing screws, broken hinges, and separation of the hinge from the covers. ***Broken hinges directly impact the motherboard and top or back cover of the device.*			

INSURANCE coverage:

- There is no deductible if a repair is needed.
- Insurance coverage is effective from September 1, 2026 through August 31, 2027.
- Refer to the attached flyer for insurance coverage details.
- *Worth Avenue Group Insurance Company* requires a police report for any lost or stolen devices and chargers.

Chromebook (laptop) repair process:

1. Insured and uninsured Chromebook (laptop) repairs are processed through the building Computer Labs.
2. If the uninsured device cannot be repaired in-district, it is sent out for repair.
3. Uninsured devices - while the device is being repaired students may use a loaner device during the school day, which must be returned at the end of each day.
4. The district sends the invoice to the parent/guardian.
5. Invoice must be paid in full to receive their device.

For questions about the optional laptop insurance coverage please call (631) 474-2700 x764 or send an email to: laptopinsurance@millerplace.k12.ny.us.

Sincerely,

Susan G. Craddock
Assistant Superintendent
