

SPELLING CLUB

**Students in grades 4-5 are
invited to join Spelling Club!**

Do you love words, puzzles, and friendly competition? Join us for fun word games as we explore how words work, build spelling skills and discover the rules behind them. Students have the option to participate in our school spelling bee and, if they qualify, advance to spelling competitions outside of school. Participation in spelling bees is not required.

**Led by Mr. Guizar, the club
meets on Fridays during
lunchtime in Room 22**
