What is the StudentAccess Program?

The StudentAccess Program is a partnership between the Hoke County Public Library (HCPL) and Hoke County Schools (HCS). This program allows all HCS students and teachers to have a free school account at the Hoke County Public Library. Students use their school ID number to access online databases, eBooks, digital audiobooks, and much more via the web using NC Cardinal services.

Check out the frequently asked questions below:

How do I create my account?

Teachers and students have accounts. Your account will automatically be created each year through HCS Library Media Services. ****If you already have a library card with HCPL, it will not affect it. They are two separate, unconnected accounts.*

How much does it cost?

It is absolutely free!

What's the barcode number and PIN for my account?

Use your student ID number for the barcode and the last four digits of the student ID number as your PIN. Teachers use your employee ID number (NCEdCloud login) and the last four digits of that number. If you have difficulty logging in, please contact Karen Nichols at 910-904-0026 Ext. 23108 or the Hoke County Public Library at 910-875-02502.

How long are the checkout periods on student accounts?

Most books and audiobooks can be checked out for two weeks and renewed a maximum of two times.

Are there any fines for items?

No overdue fines will be charged for StudentAccess accounts.

Can students opt out of the program?

Yes. A parent or guardian simply needs to complete an [opt-out form](#) and return it to the **Hoke County Public Library**. Forms are available on the Hoke County Schools Library Media Services webpage.

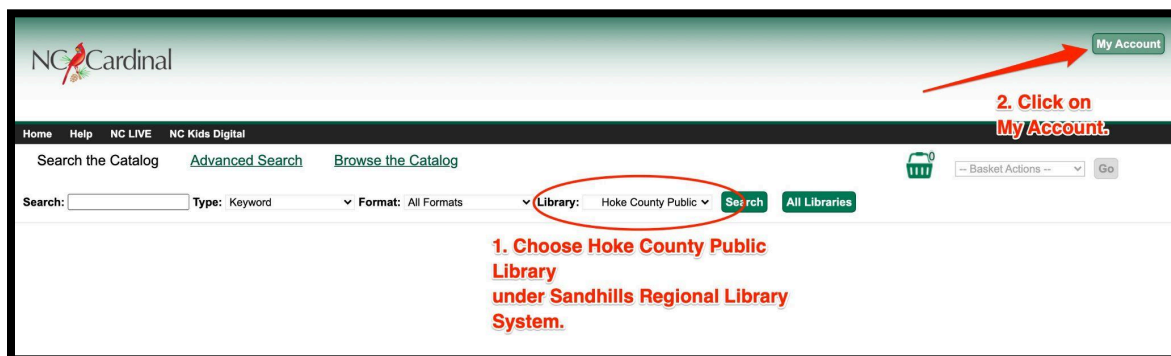

*StudentAccess accounts can be used for items within the Hoke County Public Library only.
