

Linewize Parent, Powered by Qustodio

User Guide

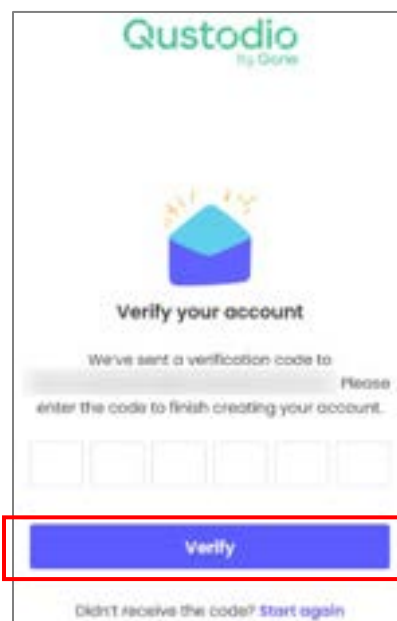

Linewize Parent, Powered by Qustodio is a free comprehensive digital safety and wellbeing program that empowers parents and guardians to create a safer online environment for their child(ren).

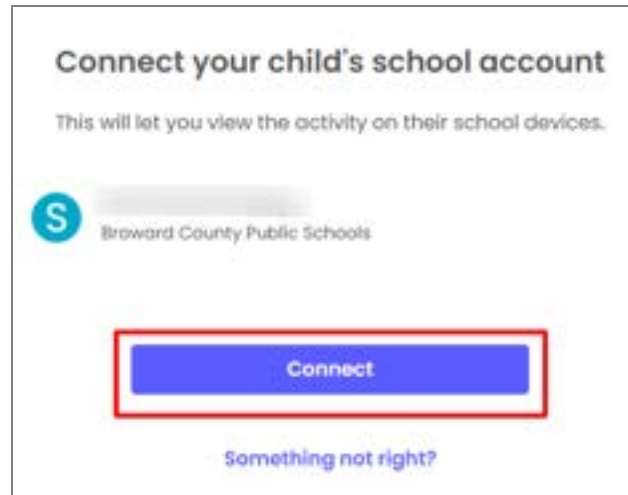

- Open a web browser and go to <https://auth.qustodio.com/en/my-school/>.
- Enter the **same email address** you have in the Focus Student Information System.
- Click **Continue**.

The screenshot shows the Qustodio login page. At the top is the "Qustodio by Gona" logo. Below it, the heading "Enter your email to get started" is followed by the instruction "Use the email address that your school sent the invite to." There is an "Email" label above a text input field. The input field contains the placeholder text "Email". Below the input field is a blue button labeled "Continue". Both the input field and the button are highlighted with red rectangular boxes.

- A **verification code** will be sent to your email address. Enter the code to create your account.
- Click **Verify**.

The screenshot shows the Qustodio verification page. At the top is the "Qustodio by Gona" logo. Below it is an icon of a blue envelope with a yellow "MAIL" stamp. The heading "Verify your account" is followed by the text "We've sent a verification code to" and "Please enter the code to finish creating your account." Below this text is a row of six empty square boxes for entering the code. At the bottom is a blue button labeled "Verify". The button is highlighted with a red rectangular box. At the very bottom, there is a link that says "Didn't receive the code? Start again".

- Click **Connect**.

Connect your child's school account

This will let you view the activity on their school devices.

 Broward County Public Schools

Linewize Parent, Powered by Qustodio

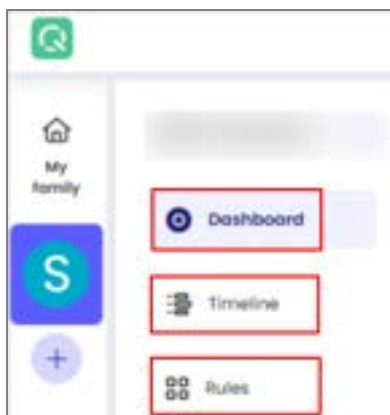

User Guide

- The Linewize Parent, Powered by Qustodio homepage will display:
 - **A** – Go to dashboard
 - **B** – Pause the internet on your child(ren)'s device(s)
 - **C** – Add one personal device, per child
 - **D** – Parenting tips from the Online Safety Hub

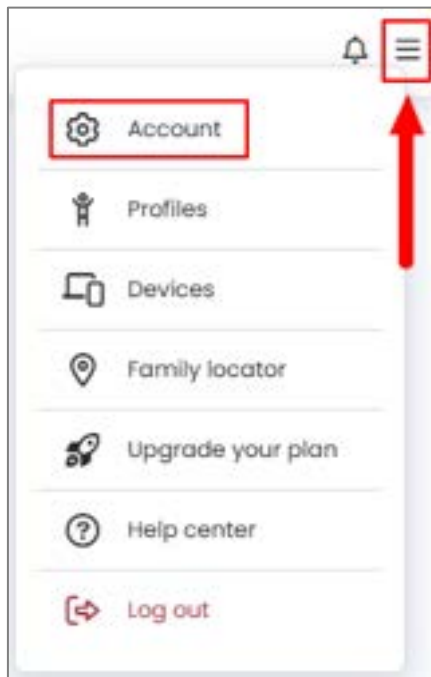

- The **dashboard** will display an activity summary of screen time, blocked websites, app & web activity, web searches, and more.
- The **timeline** will display a detailed history of your child's online activity.
- For school devices that go home, **rules** will allow you to add additional filtering restrictions, set screen time limits, etc., when the device is outside of school hours.
 - ****NOTE:** Rules will NOT apply during school hours on school days.
 - Rules are applicable **outside** school hours and on non-school days by **one parent/guardian at a time**.
 - To turn on/off rules, click the **toggle**.

- Click the **horizontal lines** to open the menu.
- Click **Account** to toggle on/off daily reports and/or weekly summary notifications.

Linewize Parent, Powered by Qustodio
