October 16, 2026

Dear Ewing Public Schools Families,

Ewing Public Schools invites parents, guardians, and other family caregivers to an informational session about the athletic clearance process for students at Fisher Middle School and Ewing High School.

Athletic Clearance Information Session

October 22, 2026 at 6:00 p.m.

Ewing High School, North Gym

Presented by David Angebrannt, Ewing High School Athletic Director

During the session, we will explain the steps required to clear student-athletes for fall, winter, and spring sports. We will review medical clearance, identify which forms families must complete and where to find them on the district website, and discuss the academic clearance and participation forms that must also be submitted.

We will also discuss expectations for student-athlete conduct and behavior, as well as expectations for parents and guardians at athletic events.

The Athletic Department's goal is to make this process as seamless as possible and to support families every step of the way. We hope this evening gives you a clear understanding of the requirements and an opportunity to ask questions as you prepare for your student-athlete's season.

We hope you will join us.

Sincerely,

David Angebrannt
Athletic Director
Ewing High School
