A Parent's Guide to Title I

<u>What is Title I?</u>	<u>What supports are provided through Title I?</u>	<u>All Dodge County Schools are Title I Schools</u>
<p>Title I, Part A is a federally funded program under the Every Student Succeeds Act (ESSA). The purpose of Title I under ESSA is to ensure that all children have a fair, equal and significant opportunity to obtain a high quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.</p>	<p>The Title I Program offers a variety of supports which may include, but are not limited to additional teachers, support staff, instructional materials and supplies, technology to support student learning, tutoring, professional development for school staff and capacity building events for parents.</p>	<p>Dodge County Primary School</p> <p>Dodge County Elementary School</p> <p>Dodge County Middle School</p> <p>Dodge County High School</p> <p>Dodge County Achievement Center</p>

A Parent's Guide to Title I

What role does Family Engagement play in Title I?

Family Engagement is an integral part of the ESSA law.
Districts and schools receiving Title I funding must:

Ensure that high quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging state academic standards so that students, teachers, parents and administrators can measure progress against common expectations for student academic achievement.

Afford parents substantial and meaningful opportunities to participate in the education of their children.

Parent & Family Engagement

For Families:

You can have a tremendous impact on your child's success in school. By partnering with the school and participating in the Title I program, you will:

- Show your child that you support and value his or her education
- Be able to closely monitor your child's progress
- Build stronger relationships between home and school
- Provide valuable input about school-wide programs

Research shows that students whose families are engaged perform better academically, socially, and behaviorally. Be sure to become involved in your child's school by:

- Communicating regularly with your child's teacher
- Attending academic-based family events and parent-teacher conferences
- Volunteering at school
- Joining the School Council
- Providing input concerning the Title I program at the school

What is Title I?

DCPS is a Title I School as part of the ESSA. Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement plan and compact.

The Connection

What is it?		
The Connection	The Engagement Plan	The Compact
A comprehensive document joining our School Family Engagement Plan and Compact together with the purpose of strengthening the bond between school and home.	Describes how our school will provide opportunities to improve family engagement that will support student learning at school and home. All students and their families are invited and encouraged to fully participate in the opportunities described in this plan. The school will provide information and as many opportunities as possible for the participation of all family members.	<p>Explains what teachers, parents and students will do in an effort to work together to make sure that our students reach grade level standards.</p> <p>Discussed with families during parent-teacher conferences throughout the school year.</p>

The Connection		
How is it revised?	Who is it for?	Where is it available?
The Connection is jointly developed and revised by our school's stakeholders. All families are invited to an annual Shared Decision Making Meeting held each spring. Families review and give feedback on the Engagement Plan, Compact, and Budget, including the 1% set aside for Parent Engagement. All feedback is collected and used to revise this document and improve program plans for the next year. Families also have an opportunity to complete an online Title I Parent Satisfaction Survey that seeks suggestions regarding the plan, compact and budget.	The Connection is for all students and their families. Our school encourages full participation in opportunities described in this document. We provide full opportunities for all parents to participate, including those with limited English, disabilities, migratory children and caretakers of students served in Neglected and Delinquent Centers.	Title I Handbooks are provided to parents and families via school websites, district websites and in the Parent Resource Center located in the lobby of the school.

LET'S STAY CONNECTED

DCPS believes that family engagement means the participation of parents and family members in regular two-way and meaningful communication involving student academic learning and other school activities.

Ways to stay connected and informed:

- Progress Reports and Report Cards
- PowerSchool
- School Website

- *Ensure that all information related to school and parent programs, meetings and other activities is published in both English and Spanish and posted on the website or Facebook.
- *Provide training for staff on the value and contribution of parents, on ways to improve communication on ideas to build strong partnerships with families, on providing information in a user friendly format and responding to parents in a timely manner.
- *Partner with early learning centers (Pre-K/Head Start, Local Daycares) to provide resources to help prepare families and students for successful school transitions.
- *Share information related to school and parent engagement activities, meetings, workshops in English and Spanish.
- *Communicate with all families and the community on a regular basis regarding school wide events through messenger, Facebook, school website, newsletters and flyers.
- *Work with parents to develop relevant training and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
- *Provide information for parents to better understand the GA Standards of Excellence and assessments for all grade levels.
- *Collaborate with stakeholders and community business leaders to increase awareness of family and community engagement programs.
- *Connect families to classes or support groups to help further enhance our parents' various educational levels.
- *Collect feedback from parents and family members after academic events in order to respond to parents' requests for additional support for engagement activities.

2026-2027 GOALS

<i>District</i>	<i>DCPS</i>
<p>Increase student achievement and academic growth across all grade levels and content areas, as measured by Georgia Milestones End-of-Grade (EOG) and End-of-Course (EOC) assessments, while reducing achievement gaps among student subgroups through high-quality instruction, targeted interventions, and data-driven decision-making.</p>	<p>To increase student achievement in reading and mathematics by strengthening Tier I instruction and ensuring all students receive a well-rounded education. Data indicate a need for more intentional use of differentiation, small-group instruction, targeted interventions, and data-driven decision-making to address diverse learning needs and close achievement gaps. Continued implementation of evidence-based literacy and mathematics practices, along with Tier II and Tier III supports through the MTSS framework, will be essential to meeting the needs of struggling learners and increasing student achievement.</p>
<p>Improve school climate and culture through positive behavior supports, increased student engagement, and reduced discipline incidents, as measured by school climate ratings, discipline data, and stakeholder feedback.</p>	<p>To improve student attendance by increasing daily attendance and reducing chronic absenteeism, tardiness, early checkouts, and unexcused absences through positive relationships, attendance incentives, family communication, and school-wide attendance monitoring.</p>
<p>Recruit, develop, support, and retain highly effective teachers and leaders by providing meaningful professional learning, mentoring, career advancement opportunities, leadership development programs, and collaborative support structures that improve instructional effectiveness and student outcomes.</p>	<p>To strengthen family and community engagement by increasing meaningful communication, family participation, volunteer opportunities, and community partnerships that support student achievement and school success.</p>
