Dear Parent/Guardian:

All educators in Florida are monitored to ensure they meet certification and training requirements as mandated by law. Per Florida Statute 1012.42, when a teacher is assigned teaching duties out of the field in which the teacher is certified, the parents of all students in the class shall be notified in writing.

Hillsborough County Public Schools is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. The district is assisting our teachers by developing an Individual Professional Development Plan to complete the requirements needed to become in-field.

All of our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification. You have the right to know the professional qualifications of the teachers or paraprofessionals who instruct your child. Federal law allows you to ask for certain information about your child's teachers and requires us to give you this information in a timely manner. If you would like more information, please contact the school at 813-699-5049.

The table below lists teachers who are currently out-of-field.

Sincerely,

Samantha Chaney, Principal

Estimado padre, madre o tutor legal:

Todos los educadores de Florida son supervisados para garantizar que cumplan con los requisitos de certificación y capacitación exigidos por la ley. De conformidad con el Estatuto de Florida 1012.42, cuando se asignan a un maestro funciones de enseñanza fuera del área en la que está certificado, se debe notificar por escrito a los padres de todos los alumnos de la clase.

Las Escuelas Públicas del Condado de Hillsborough están comprometidas a brindar una enseñanza de calidad a todos los estudiantes; para ello, emplean a las personas más cualificadas para enseñar y apoyar a cada alumno en el aula. El distrito ayuda a nuestros maestros mediante la elaboración de un Plan de Desarrollo Profesional Individual para que completen los requisitos necesarios y así obtener la certificación en el área que imparten.

Todos nuestros maestros cuentan con certificación para enseñar, aunque algunos de ellos imparten actualmente clases fuera de su área de certificación y están trabajando para obtener certificaciones adicionales. Usted tiene derecho a conocer las cualificaciones profesionales de los maestros o asistentes docentes que instruyen a su hijo. La ley federal le permite solicitar cierta información sobre los maestros de su hijo y nos obliga a proporcionarle dicha información de manera oportuna. Si desea más información, comuníquese con la escuela al 813-699-5049.

La siguiente tabla enumera a los maestros que actualmente imparten clases fuera de su área de certificación.

Atentamente,

Samantha Chaney, Principal
