

We kicked off the year with our first PTO meeting earlier this month in the library. A big thank you to those who attended. As promised, here's a quick newsletter with the highlights and a preview of what's coming up!

New Playground Equipment is Here!

Each summer before school starts, the PTO sends our teachers a playground equipment wish list survey. Using PTO funds, we purchase the grade-specific equipment they request — so recess is fun and active for every student.

Budget Review & Fundraising Notes:

The board reviewed this year's budget with an eye toward keeping costs low for families while still funding the programs students love. Highlights:

- **Spirit Gear** — We priced this year's gear to break even rather than to raise funds, keeping it affordable for everyone. Looking forward to seeing some PP pride on the playground.
- **Cookie Dough Fundraiser** — Returning with a bigger push on early communication and promotion so families have plenty of notice. Keep an eye out for information in mid-October!
- **One School, One Book** — No grant this year, so we've increased the budget line and will make this a fundraising focus, including participating in the **Valley Giving Guide** this holiday season.
- **Needs Pantry** — The pantry is fully stocked and ready to go. We'd love to see it used more this year, especially for toiletries.

Fuel Our Teachers for Conference Days

Parent-Teacher Conferences are coming up on October 8 & 9, and our teachers will be putting in some very long days — many are at school from morning drop-off until well after dinnertime.

Let's show them some love by keeping them fueled! We're looking for volunteers to provide meals, snacks, and drinks throughout both days. Whether it's a main dish, a plate of cookies, or a case of sparkling water, every contribution helps. Click the link below to sign up!

Thank you for helping us make these busy days a little brighter!

PROSPECT POINT PTO

NEWSLETTER

SEPTEMBER
2026

We're always looking for helping hands — and right now we have a few specific spots to fill. If you've been thinking about getting more involved with the PTO, this is a great place to start.

Vice President — Work alongside the other officers, learn the ins and outs of our programs and events, and pitch in where you're needed. A great role if you want to get to know how the PTO runs.

Miles Club Coordinator — We don't yet have anyone to lead Miles Club this year. It runs once a week during lunch recess for all grades, and there's now an app that tracks miles, so it's a lighter lift than you might expect. With a volunteer on board, we can launch for all students in the spring.

Cookie Dough Fundraiser Lead — Serve as the point of contact for logistics and delivery day. It's a short commitment that wraps up as soon as the fundraiser ends.
Memory Book Helper — Help organize photos and assemble the book. Roughly 10–20 hours over the year.

Interested in any of these? Please email prospectpointpto@gmail.com, and we'll fill you in.

UPCOMING PTO MEETINGS:

Monday, November 16 – 8:00 AM*

Monday, February 22 – 6:30 PM

Monday, May 3 – 6:30 PM

All meetings will be held in the Prospect Point library, with the exception of our morning meeting option on Nov. 16, location on campus is TBD.
