

Building our community one child at a time!

The Lakeland Education Foundation, Inc. is a non-profit organization dedicated to raising funds to enhance the education of students in the Lakeland Joint School District 272. All funds raised directly support our local community.

Charitable contributions provide scholarships to graduates for post high school education including academic pursuits and career and technical training. Contributions also empower teachers by funding innovative materials and classroom projects that enhance student learning and engagement. The distribution of scholarships and teacher grants are managed through the Idaho Community Foundation.
