Operational Services

Environmental Quality of Buildings and Grounds

The CEO or designee shall take all reasonable measures to protect:

1. The safety of school personnel, students, and visitors on school premises from risks associated with hazardous materials.
2. The environmental quality of the School's buildings and grounds.
3. Before pesticides are used on school premises, the CEO or designee shall notify employees and parents/guardians of students as required by the Structural Pest Control Act, 225 ILCS 235/, and the Lawn Care Products Application and Notice Act, 415 ILCS 65/.

Board Adoption Date: July 11, 2022.

Revised: June 6, 2022.
