Issue 4, Edition 10

October 9th marked the end of the first quarter of the school year. Report Cards located under the “Marks” tab on the Q-Parent app. As a reminder, all quarter and semester report cards are used to athletic and performing group participation. All students representing the high school must maintain a minimum 2.0 grade point average (GPA). This reporting period also marks that half-way point for the more important semester report card. Semester report cards are those which are used to determine credit for courses and to ensure that students stay on track for graduation. Please continue checking your children’s grades via the Q-Parent app.

Two new policies which will take effect starting Monday, October 19, 2026, are:

1. To align with the other FUSD high schools, we are no longer going to be taking student pick-ups from the office during the last 20 minutes of the school day. On Monday, Tuesday, Thursday, and Friday the last pick up is at 3:10 PM. On Wednesday’s the last pick-up time is 1:40 PM. We appreciate your understanding as this helps us to ensure that the day’s attendance is processed in a timely manner each day.
2. Also, effective Monday, October 19, 2026, those students arriving late to school and are needing to check-in through the office will not be allowed to bring Starbuck, Dutch Bros., and all other fast-food foods and beverages into the school. We are doing this as we are noticing a trend that nearly all the students entering after the school day are bring these types of items with them. As a community it is important that we help our students start establishing important work-based skills of being on time to all their obligations, and in this case is 1st period. I appreciate your support as we work to grow our children into the next generation of our community’s workforce.

Please mark your calendars for Wednesday, October 28, 2026, as our Annual Trunk or Treat will be held that evening. If you are interested in participating by bringing your car to pass out candy, please reach out to Mrs. Gutierrez our ASB Director at gutims@fUSD.net. We are also accepting donations of candy to help pass out to the community. We appreciate all your support.

I am here to serve you and our students. Please let me know if there is anything I can do to help you navigate high school. You are welcome to reach out via phone at (909) 357-5800 extension 10117 or by e-mail at barbara.kelley@fUSD.net.

Stay on Track for Graduation: A-G Review

At A.B. Miller High School, we want every student to graduate with options. Whether your future includes a four-year university, community college, career training, the military, or entering the workforce, understanding your academic progress is an important part of planning for life after high school. One key piece of that planning is knowing where you stand with A-G requirements.

A-G courses are a sequence of high school classes used to determine eligibility for admission to California's public university systems. Students should regularly review their academic progress to make sure they understand which requirements they have completed and which courses they still

need.

Most importantly, students do not have to figure this out alone.

Start by connecting with your school counselor. Your counselor can help you review your transcript, understand graduation and A-G requirements, identify areas that may need attention, and develop a plan for your remaining semesters. Even students who believe they are on track should check in periodically. Plans change, goals grow, and staying informed helps students make confident decisions about their future.

If you discover that you are behind or have received a low grade in an A-G course, do not give up. Ask about the academic help and support opportunities available at A.B. Miller. Talk with your teachers, attend tutoring when available, meet with your counselor, and take advantage of intervention or credit-recovery opportunities that may be appropriate for your academic plan.

Families also play an important role. Parents and guardians are encouraged to talk with their student about grades, attendance, graduation progress, and postsecondary goals. Asking, "Are you on track?" can open an important conversation about both current performance and future opportunities.

Your high school journey is built one course, one semester, and one decision at a time. Take ownership of your progress, ask questions, and seek help early.

Your future has options. Make sure your academic plan keeps those options open.

Athletic Director's Message

Fontana A.B. Miller High School is one of ten member schools that comprise the River Valley Conference.

A.B. Miller fields teams in 21 boys', girls' and co-educational sports at two to three different levels (Varsity, Junior Varsity, and Freshman).

To participate in a team, each student athlete is required to maintain at least a 2.0 grade point average. To help our student athletes make the academic grades necessary, A.B. Miller runs an academic accountability program for its student athletes. The staff member who developed and oversees the program is responsible for tracking grades, making parent contact, tutoring, and serving as a liaison between student athletes, teachers, and parents.

If you have any athletics questions, please reach out me at pfeimh@fusd.net or call me at (909) 357-5800 ext. 10114.

Michael Pfeiffer Jr., Athletic Director

A.B. Miller Athletics will be using **GoFan** for ALL home games for ALL levels (Freshman, JV, and Varsity). Many of our opponents will also be using **GoFan** for away competitions. Please use the QR code below **GoFan** and purchase your tickets.

Drop Off and Pick Up

Students may enter or exit one of two ways in the morning and at the end of the school day.

From the Cypress Avenue Side of Campus, please enter the parking lot from the northern gate near the tennis courts. Proceed to drop your student off and exit the southern gate. This parking lot is for student parking as well and is locked 15 minutes after school begins in the morning and is unlocked 15 minutes before the end of the school day.

From the Oleander Avenue Side of Campus, please use the northbound drop-off. Please do not sit and park in the morning, rather drop off and proceed north towards Highland Avenue to ensure that traffic keeps flowing. Students then need to walk in or out of the campus through the gates between the library and the Q-building (two-story building). This entrance will be open until 8:35 AM.

Students arriving after the gates are closed, need to proceed to the Attendance Office in the Oleander Avenue Parking Lot. Students check themselves in using our electronic pass system in the Attendance Office and quickly proceed to class, to minimize classroom interruptions and your student's learning loss.
