

# DeAnda ES - SDMC Meeting Minutes

**Date:** October 7, 2026

**Meeting Type:** SDMC Meeting

**Format:** In-Person/Virtual

**Meeting Began:** 3:30 p.m.

**Meeting Adjourned:** 4:30 p.m.

## 1. Welcome & Review of Agenda

The meeting **began at 3:30 p.m.** with introductions for both in-person and virtual participants.

The committee reviewed the agenda, action plan, and indicators of success.

### Guiding Questions:

- Are we addressing actions that are current concerns?
- Are there mid-point checks in place? **Yes.**

**Indicator #1:** Meeting the current needs of the campus and providing feedback.

## 2. Attendance & Enrollment

The committee reviewed current attendance and enrollment data.

- **Current Enrollment:** 629 students
- **Projected Enrollment:** 661 students
- The campus did not meet the projected enrollment, which impacted the budget.
- A second-grade teacher position and one TA position were closed.
- A sixth PK classroom was opened, which assisted with enrolling additional students.

### Attendance:

- Campus Goal: **98%**
- Last Year: **95%**
- Current Attendance: **96%**

### Current Attendance Incentives:

- Candy, popcorn, and pizza incentives for students meeting attendance goals
- "Perfect Attendance" classroom recognition
- Campus Cycle Attendance Dance

### **Possible Additional Ideas:**

- Create a video promoting the school's attendance rating/goal.
- Increase communication with parents regarding the importance of attendance.
- Create a promotional video highlighting the attendance dance and other incentives.

### **3. Student Performance Data Review**

The committee reviewed the student performance data summary provided.

Historically, DeAnda has performed higher in Math than in RLA. Last year, **25–26**, the opposite trend was observed.

The committee continued reviewing:

- STAAR data
- BOY MAP Growth data
- Dibels/Lectura
- TELPAS
- SPED and At-Risk data

### **4. Questions & Feedback**

**Library:** Ms. F. Gonzalez asked whether time during Ancillary could be utilized to provide students with additional math fact fluency and reading practice.

### **5. District Updates**

There were no district changes or additional updates at this time.

### **6. Safety & Security**

The committee reviewed current safety and security practices.

- Raptor Alerts continue to be utilized to account for students during drills.
- Officers visit the campus approximately once every two months.
- Required drills are being conducted monthly and are in compliance.

**Parent Concern:** Traffic continues to back up from the horseshoe area to Alameda-Genoa.

**Campus Concern:** Multiple students are dismissed at the same time, contributing to congestion. Car-rider parents picking up students as walkers may also contribute to traffic concerns.

**Possible Resolution:** Have a staff member assigned to direct traffic. (*Cruz*)

## 7. Curriculum, Staff Development & Instructional Strategies

The committee reviewed the information and ideas provided regarding curriculum, staff development, and instructional strategies.

## 8. Budget & Resources

The committee reviewed available budget and resource information.

- Funding is available for tutorials; planning is pending.
- A concern was raised regarding students who may be struggling or receiving low grades but may not qualify for tutorials.
- The campus currently has embedded “**Acceleration Time**” within the classroom schedule.
- The last tutorials were held from **3:20–4:20 p.m.**

**Budget:** The committee reviewed the provided budget information.

## 9. Additional Comments & Resource Updates

- Substitutes will be limited, and campus TAs will be utilized first when coverage is needed.
- The campus purchased IXL.

**Technology Question:** The committee discussed how much funding will be allocated toward technology and the possibility of purchasing:

- Student laptops
- CleverTouch boards
- Headphones

**Additional Technology Update:** The campus received a donation of ipads for teachers to support communication and instructional use in the classroom.

## 10. Other Questions, Comments & Concerns
