

Parent Class Schedule

The purpose of Parent Classes is to empower you, the parents, with information to help understand your child's hearing difference and how it impacts their life and yours. The classes will be offered virtually on the stated Thursday's from 6:30 to 8:00 pm. The class will be presented by professionals who work with your child. Please make sure your teachers have your updated emails so that we can send you the invitation and activities for each parent class.
