

Cell Phone/Smartwatch Authorization Form

As a general rule, our school policy doesn't allow students to have cell phones at school. If a family feels strongly about their child having a cell phone at school, we will make an exception. To make this happen, we ask that families review the cell phone/smartwatch expectations with their student and return this form to the office. This form needs to be completed and signed each school year.

- While on school grounds the phone is to be off and put away at all times.
- Taking pictures or video is strictly prohibited.
- If a student needs to contact home during school hours, a request to use the school phone in the office can be made.
- Parents and students accept responsibility for the phone/smartwatch. The school is not liable for a phone that is lost, damaged, or stolen.
- If the cell phone/smartwatch becomes a disruption to learning, parent contact will be made.
- If your student does not follow the expectations, the phone will be confiscated and placed in the office for parent pick up.

I accept all terms and responsibilities listed above and give permission to my child to have a cell phone/smartwatch at school.
