WHY JOIN THE PTA?

Together, We Make Our School Stronger!

Parents, families, teachers, and staff — we need YOU!
Joining the PTA is one of the easiest ways to support your child, connect with other families, and help make Pomona Elementary an even better place for ALL students.

SUPPORT OUR STUDENTS

PTA helps provide programs, activities, events, and resources that make school more exciting and memorable for our children.

CONNECT WITH OTHER FAMILIES

Meet other parents and caregivers, build friendships, and become part of our Pomona Elementary community.

STAY CONNECTED TO YOUR SCHOOL

Learn more about what is happening on campus and discover ways you can support students, teachers, and staff.

SHARE YOUR IDEAS

Your voice matters! PTA gives families an opportunity to share ideas and help shape activities and experiences for our students.

Family nights, celebrations, school events, student activities, and other special experiences are even better with family involvement!
