SCHOOL OF EXCELLENCE

Please take a moment to join the RHS PTA for both yourself AND your student. You can click [HERE](#) to join online. Because our PTA does not “fundraise.” it is your membership fee that really makes a difference to our school. We rely on that financial contribution to fund senior scholarships, promote Hornet Well-Being, care for our teachers, support our ESL/ESOL, TAG, and Exceptional Students, and much more. We thank you in advance for your generosity!

Feel free to reach out with any questions or if you are looking for ways to get involved. Let's all make the 2026-2027 school year a great one!

2026-2027

Upcoming Counseling Events

9th & 10th Virtual Lunch & Learn

- Presentation slides and meeting recording from the October 8th meeting will be posted on the RHS counseling website. (RHS homepage>>Students and families>>Counselors & Student Services>>Grade level advisement>>9th grade or 10th grade)

Junior Conferences—October-December

- Counselors are holding individual junior conferences throughout October and December. These meetings are mandatory for juniors and parents are welcome to join. Counselors will discuss graduation requirements and post-secondary plans. Students and parents, please be on the lookout for a calendar invite in your email from your student's counselor with a scheduled day and time for your meeting. Parents have the option to join in-person, virtually by Teams, or even by phone.

College Rep Visits

- All 10th, 11th and 12th graders are invited to meet with college representatives at Roswell HS. Students need to RSVP for college visits on SchoolLinks, under Events. The following colleges are coming in October: Vanderbilt University, Mercer, Valdosta State, University of Kentucky, College of Charleston, and more.

Class of 2027 Information:

- FAFSA: The FAFSA form is now available at studentaid.gov. Students will need to create their account then invite parents/contributors to complete their portion.
- College Application Help: Counselors are available every Tuesday and Thursday in the counseling hub during all 3 lunch periods for drop-in help with college applications.
- CommonApp: Students can now create their account on CommonApp and will need to invite their school counselor. Once invited, counselors will submit the school report, which includes the student's transcript and report on their academic standing. Counselors only write a separate letter of recommendation for the schools that require it.
- GAFutures: transcripts are now updated on GAFutures to reflect grades through May 2026. Students should carefully review their transcript in GAFutures for Hope/Zell eligibility and rigor courses. Students must have their SSN on file with the school for HOPE Scholarship purposes.
- SchoolLinks: provides resources for college and career exploration, and all seniors must complete the 2026-27 Post-Secondary Survey.

Reflections

The Reflections Program is a National PTA and Georgia PTA cultural arts competition. The purpose of this program is to provide an opportunity for students to use their creative talents by expressing themselves through their own original works.
