

GOOGLE CLASSROOM

Guardian Summaries

Parents and Guardians can receive Guardian Summaries from google. Google Classroom Guardian summaries are automated email updates sent directly to parents and guardians to help you stay informed about your child's schoolwork and progress. Once set up, you will receive updates of all of your student's participating classes in a single email.

What's Included in the Summary?

In email summaries, parents/guardians can review:

- **Missing work**—Work not turned in when the summary was sent.
- **Upcoming work**—Work that's due today and tomorrow (for daily emails) or that's due in the upcoming week (for weekly emails).
- **Class activities**—Announcements, assignments, and questions recently posted by teachers.

How do I receive Guardian Summaries?

To receive Guardian Summaries, the parent should email the teacher to add their preferred email address to Google Classroom to receive the guardian summaries.

Key Features for Parents

- **Custom Delivery Frequency:** You choose how often you get emails—daily (Monday through Friday) or weekly
- **No Extra App or Password Required:** Summaries go straight to your personal email inbox without needing a separate login or app download.
- **Note on Grades:** Guardian summaries **do not contain grades**. For current grades, please check Skyward or contact the teacher.

Do Guardian Summaries Give Parents/Guardians Full Access to Google Classroom?

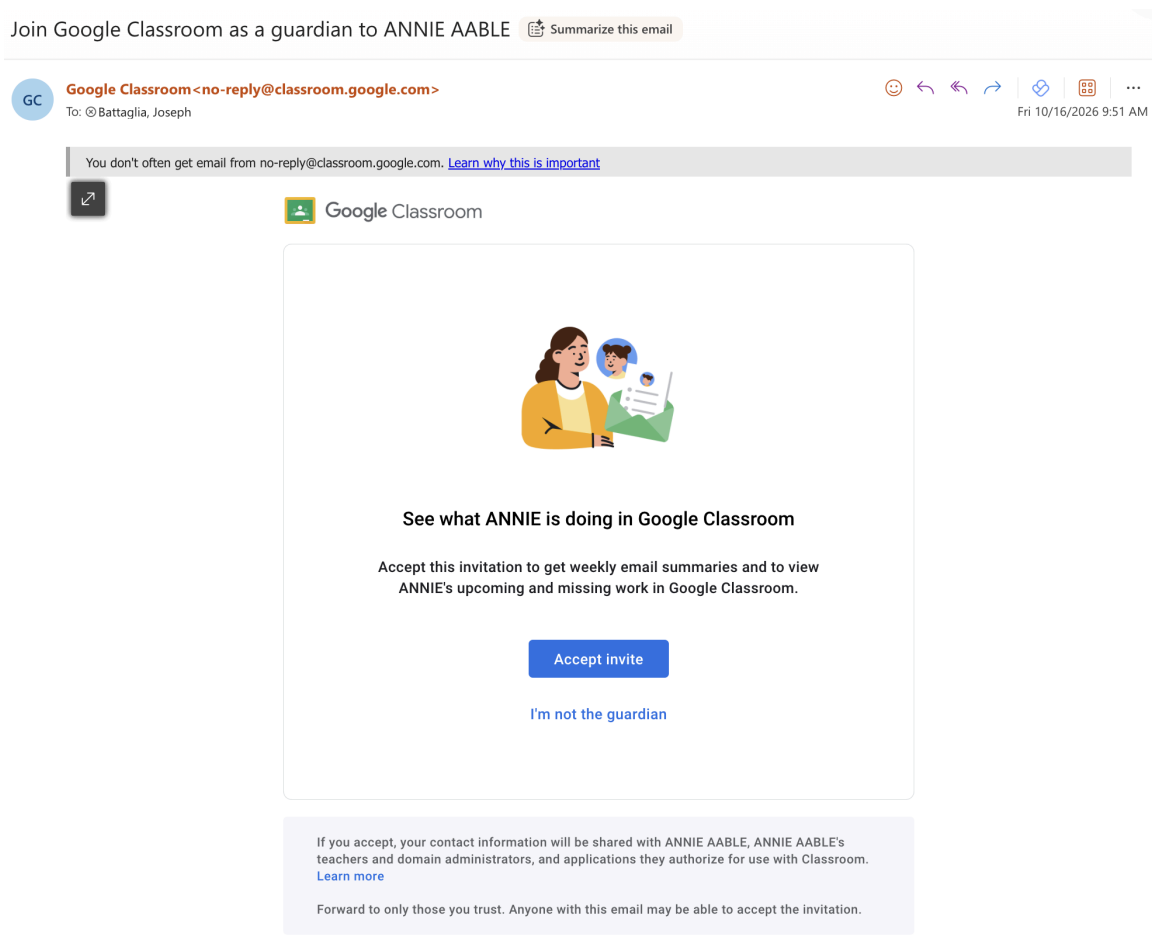

No. Accepting a guardian invitation does not give you direct access or a login to Google Classroom. Guardian summaries are strictly automated email updates sent to your inbox.

Note

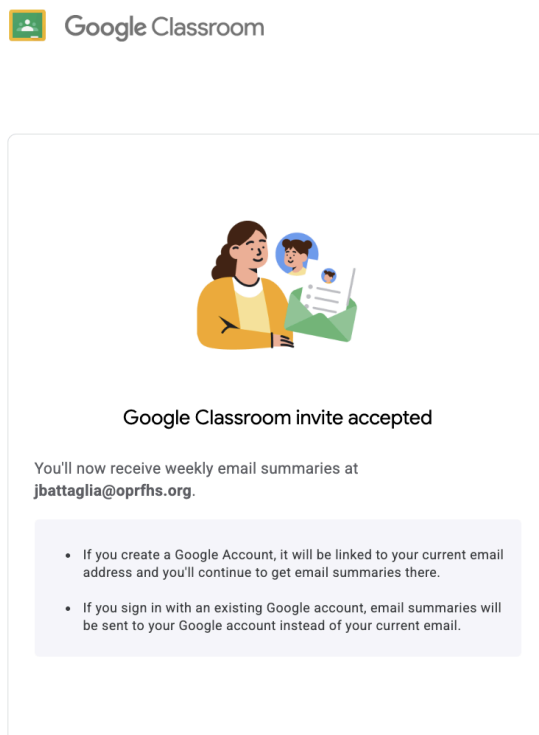

If a teacher does not use Google Classroom, does not have Guardian Summaries turned on, or they have not made any updates to their Classroom that week, nothing will be included from those classes in the summary.

What does the Invitation Look Like?

Once a teacher has added your email address to get Guardian Summaries, you will receive an email from no-reply@classroom.google.com. In that email, **click Accept Invite**.

After you have accepted the invite, you will see the following confirmation screen.
