AS A REMINDER

A Note From Mr. Lindemann

We have had a great week here at Weatherbee with some special events throughout the week. Make sure to read the rest of the newsletter to learn more about Jared Campbell and Apple Crunch Day!

I wanted to let the Weatherbee community know about some changes in our office. Mrs. Bacon will be moving from Weatherbee to the office at Reeds Brook. We are so appreciative of all she has done to support students, staff, and families during her time at Weatherbee. She will be missed and know that Reeds Brook is lucky to have her.

As we work to fill this vacancy, Mrs. Hallett will be helping out in the office along with Ms. Maiya.

We hope our Weatherbee community has a great weekend!

Gardening Club Update 🌸

The graphic is a colorful announcement for the Weatherbee Garden Club. At the top, it says "Weatherbee Garden Club" with a small bee icon, followed by "TIME CHANGE" in large, bold, green letters. Below this, a paragraph explains the change in meet times. The new meet times are listed as "During Recess 2x/Monthly". The central part of the graphic features an illustration of four children engaged in gardening activities: one is watering plants, another is holding a watering can, and two others are standing near a table with potted plants. The background is decorated with illustrations of various vegetables like tomatoes, carrots, and eggplants, as well as green leaves. At the bottom, there is a table with three columns representing the months of October, November, and December, each with specific dates for the club meetings.

**Weatherbee Garden Club
TIME CHANGE**

Due to the high level of student participation,
we will no longer meet at 7:45 a.m.
in order to ensure quality education and
experiences for students.

Survey

RSU 22 Curriculum Office

Hampden, ME 04444
(207) 862-0843

Dear RSU 22 Families,

We want to hear about your experience with your child's school. This fall, we are inviting all families to complete the **Feedback and Input Survey**. The survey asks how we could best communicate with you, how welcome and respected you feel, how we support positive behavior, and how our schools could better support your family. Your responses will help us improve our schools for every student.

A note about our surveys this year: In past years, families may have been asked to complete the School Climate Survey in both the fall and the spring. Going forward, the School Climate Survey will be given **in the spring only**, and the Feedback and Input Survey will be given each fall.

The survey is open now through **Wednesday, October 28**. It is anonymous and contains 36 items, most of them quick yes/no or checklist questions, and takes about 10 minutes to complete. **If you have children in more than one school, please complete one survey for each school**, since we use each school's results to make improvements there. You may skip any question you'd prefer not to answer. There are no right or wrong answers.

No identifying information is collected with your answers, and results will only be reported as group responses. If you feel that answering a question about your child would identify you, you may choose "I prefer not to answer."

If you'd prefer a paper copy, you can pick one up in your child's school office. If you have questions about the survey, **please contact your child's school office**.

Thank you for your time and your honest input. It matters, and we will use it.

Sincerely,

Jennifer Nickerson
RSU 22 Director of Curriculum
