PARENTS & CAREGIVERS SURVEY

Feedback & Input Survey: Families

We would like to hear about how you feel about our schools. (If you have children in more than one school, please complete one survey for each school.) We will use your answers to find ways we can improve our schools so knowing which school you are responding to is important. You do not have to answer all of the questions. The survey is anonymous - nobody will know that your answers came from you. Thank you for taking the time to share your thoughts with us.

This survey will be open from October 5 through October 28, 2026.

Dear RSU 22 Families,

We want to hear about your experience with your child's school.

This fall, we are inviting all families to complete the Feedback and Input Survey. The survey asks how we could best communicate

with you, how welcome and respected you feel, how we support positive behavior, and how our schools could better support your family. Your responses will help us improve our schools for every student.

A note about our surveys this year: In past years, families may have been asked to complete the School Climate Survey in both the fall and the spring. Going forward, the School Climate Survey will be given in the spring only, and the Feedback and Input Survey will be given each fall.

The survey is open now through Wednesday, October 28. It is anonymous and contains 36 items, most of them quick yes/no or checklist questions, and takes about 10 minutes to complete. If you have children in more than one school, please complete one survey for each school, since we use each school's results to make improvements there. You may skip any question you'd prefer not to answer. There are no right or wrong answers.

No identifying information is collected with your answers, and results will only be reported as group responses. If you feel that answering a question about your child would identify you, you may choose "I prefer not to answer."

If you'd prefer a paper copy, you can pick one up in your child's school office. If you have questions about the survey, please contact your child's school office.

Thank you for your time and your honest input. It matters, and we will use it. Sincerely,

Jennifer Nickerson

Maine Apple Crunch Day

Maine Apple Crunch Day was celebrated by schools and communities across the state on Wednesday, October 14, 2026. Apple Crunch Day promotes the importance of healthy eating and supporting our local farmers. This year our apples were grown at Hillcrest Orchards in Winterport, and Rowe's Orchard in Newport. We joined thousands of students across Maine. **FOX 7 / ABC 7 Bangor**, featured RBMS' participation in the statewide celebration on the [broadcast](#) on October 14 (minute 56:10-57:17). Thank you to our Food Service Director Pete Merritt for organizing the event!

RBMS has a new Administrative Assistant

We're excited to share that Mrs. Bacon will be joining our office team on Monday, October 19th! She is transferring to us from George Weatherbee School, and we're thrilled to welcome her,

especially since she already knows many of our students (and many of you!). Thank you for your patience as our office team adjusts to this transition.
