Mini-Winter Enrichment Programs Mondays and Wednesdays 11/16/26 - 12/9/26					
Program Name	Program Grade	Program Day and Time	Program Instructor	Cost	Program Description
Little Makers, Big Gifts	Junior Kindergarten	Mondays and Wednesdays 1:15-2:00 PM	Extended Day Team	\$260	Little Makers, Big Gifts is a hands-on creative program that teaches young children how to turn simple art materials into meaningful gifts. They will learn that they can create something special with their own hands and wrap it beautifully.
Buccaneer Brick Builders Lab	Junior Kindergarten	Mondays and Wednesdays 1:15-2:00 PM	Extended Day Team	\$260	The Buccaneer Brick Builders Lab lets young builders discover exciting building ideas, follow visual instructions, and create their own brick-built masterpieces. Each week, students take on a new challenge—from building amazing animals and vehicles to designing miniature cities and inventing imaginative creations. Along the way, they practice problem-solving, spatial reasoning, creativity, perseverance, and teamwork.
Holiday Drama Around The World	Junior Kindergarten and Kindergarten	Mondays and Wednesdays 2:00-3:00 PM	Zingher Productions	\$260	Students will explore holiday traditions around the world using stories, songs , props and costumes!
Prava Kids Yoga	Junior Kindergarten and Kindergarten	Mondays and Wednesdays 2:00-3:00 PM	Prava Yoga	\$260	Prava Yoga’s Kids Yoga introduces students to movement, mindfulness, and healthy habits through playful, imaginative sessions that encourage confidence and well-being.

Prava Kids Yoga	1st-4th	Mondays and Wednesdays 3:15-4:15 PM	Smart Educational Art	\$260	Prava Yoga’s Kids Yoga introduces students to movement, mindfulness, and healthy habits through playful, imaginative sessions that encourage confidence and well-being.
Holiday Musical Theatre Revue	1st-4th	Mondays and Wednesdays 3:15-4:15 PM	Zingher Productions	\$260	Students will practice their singing and dancing skills as they learn holiday musical theatre classics such as White Christmas, Holiday Inn and more!
The Little Gift Studio	1st-4th	Mondays and Wednesdays 3:15-4:15 PM	Extended Day Team	\$260	The Little Gift Studio is a hands-on art program that teaches children how to turn simple materials into beautiful, personalized gifts. Students will create a collection of handmade gifts, design their own wrapping paper, learn several gift-wrapping techniques, and assemble a personalized gift package ready to give to someone special.
Buccaneer Brick Builders Lab	1st-4th	Mondays and Wednesdays 3:15-4:15 PM	Extended Day Team	\$260	The Buccaneer Brick Builders Lab lets students explore building ideas, discover available pieces, and bring their designs to life. Through hands-on challenges, young builders explore structural engineering, architecture, transportation, invention, and creative problem-solving. Each week introduces a new challenge that encourages students to plan, build, test, and improve their creations. From constructing stable towers and engineering bridges to designing vehicles and inventing solutions to imaginary problems, students develop their creativity, spatial reasoning, perseverance, and collaboration skills. No advanced building experience is required—just curiosity, imagination, and a willingness to experiment!
Mini-Winter Enrichment Programs Tuesdays and Thursdays 11/17/26 - 12/10/26					
Program Name	Program Grade	Program Day and Time	Program Instructor	Cost	Program Description
Mad Science Jr. - Explorations	Junior Kindergarten	Tuesdays and Thursdays 1:15-2:00 PM	Mad Science	\$260	Mad Science provides students with fun, interactive and educational activities that instill a clearer understanding of science and how it affects the world around us. What do children do at a Mad Science Club? get hands-on with science in the most imaginative and stimulating ways possible! Each class includes a cool take home item.

CSF Afterschool Soccer	Junior Kindergarten and Kindergarten	Tuesdays and Thursdays 2:00-3:00 PM	Charlotte Soccer Factory	\$260	Join us for afterschool soccer where your player can refine their soccer skills, make new friends, and have a blast on the field. Players will enjoy exciting drills, scrimmages and fun-filled activities that promote fitness and sportsmanship. Whether your child is a beginner or an experienced player, our Soccer Program promises skill-development in a fun, supportive and safe environment. Sign up today and get your kids ready to kick off!

Moxley's Maker Lab	1st-4th	Tuesdays and Thursdays 3:45-4:45 PM	Country Day Teacher: Mr. Moxley	\$260	Moxley's Maker Lab is a hands-on creative studio where kids become engineers, designers, and inventors through exciting building challenges and real-world problem-solving. Using cardboard, simple circuits, recycled materials, and digital design tools, students bring their ideas to life through designing, building, and experimenting. Along the way, they develop creativity, critical thinking, and resilience as they test their inventions, learn from mistakes, and discover new possibilities. At Moxley's Maker Lab, kids don't just learn how things work—they learn how to make things work! <i>*If your student is not already enrolled in Extended Day, you will have the option to add care for a small fee during registration. This will allow your student to complete homework and enjoy a snack before their program begins.</i>

Mini-Winter Middle School Enrichment Programs
11/16/26 - 12/10/26

Middle School Field Hockey Winter Clinic	Middle School	11/16/26-12/9/26 Mondays and Wednesdays 3:45-4:45 PM	Country Day Field Hockey Coach: Coach Ferlan	\$260	An exciting opportunity for middle school students to explore the sport of field hockey! Students will learn the basics of the game, develop new skills, and have fun on the field. Students should get changed after school and meet Coach Ferlan on the field at Bissell Campus, ready to begin at 3:45 PM!
Foundations of Strength & Speed	Middle School	11/16/26-12/9/26 Mondays and Wednesdays 4:15-5:15 PM	Country Day Strength Coach: Coach Mont	\$260	This program helps Middle School students develop strength, speed, coordination, and confidence through age-appropriate strength training, plyometrics, and athletic movement in a safe, structured environment. This program takes place on Cannon Campus. <i>*If your student is not already enrolled in Extended Day, you will have the option to add care for a small fee during registration for 3rd and 4th graders. This will allow your student to complete homework and enjoy a snack before their program begins.</i>
Girl's Just Wanna Run with Coach Lindsay	3rd-6th	11/16/26-12/9/26 Mondays and Wednesdays 3:45-4:45 PM	Coach Lindsay	\$260	Girls will build confidence and become stronger runners through fun drills, workouts, and challenges that develop endurance, speed, agility, mobility, and proper running technique while encouraging personal growth and a love of running. Program takes place on Cannon Campus. <i>*If your student is not already enrolled in Extended Day, you will have the option to add care for a small fee during registration for 3rd and 4th graders. This will allow your student to complete homework and enjoy a snack before their program begins.</i>
Stop Motion Filmmaking	Middle School	11/17/26-12/10/26 Tuesdays and Thursdays 3:45-4:45 PM	Zingher Productions	\$260	Bring your imagination to life in our Stop Motion Animation course! Students will create their own characters, develop original scripts, and explore the art of stop motion animation as they bring their stories to life one frame at a time. Through hands-on creativity and storytelling, students will produce their own 30-second to 1-minute animated short film. Lights, camera, action—it's time to become a filmmaker! This program takes place on Cannon Campus.
