A Great Start at WES!
Dear WES Families,

September went by fast! The first-day nerves have given way to familiar faces, classroom routines, new friendships, and students finding their stride. It has been fun to watch our youngest Marauders grow more confident each morning and to see our older students help set the tone for the year.

We brought plenty of school spirit into the month with Homecoming Week, then came together for our first PRIDE Assembly with grades 2–4. Students filled the middle school auditorium and helped us kick off a year centered on **Perseverance, Responsibility, Integrity, Dignity, and Excellence.** There was even a row-by-row wave!

There is exciting work happening in our classrooms, too. Our teachers have been digging into student learning and having thoughtful conversations about what each child needs next. We are launching **WIN time—What I Need**—to give students dedicated time to work on specific skills. As students grow, their support can change with them. I'm proud of the care our staff are putting into getting this started.

We're also excited to launch a **fourth-grade Student Council** soon! This will give our oldest elementary students a chance to share ideas, take on leadership roles, and help make WES an even better place for everyone. I can't wait to see what they come up with.

We have also been practicing our safety procedures and will continue with fire drills as weather permits. Our students have done a great job listening and following directions.

Thank you for the patience, encouragement, and partnership you've shown during these first few weeks. A new school year always comes with a few things to work out, but it also brings a fresh chance to learn and grow together. September gave us a great start. Here's to keeping that energy going in October!

Learning & Growing Together

What a wonderful start to the school year! September was filled with opportunities to reconnect, build relationships, learn routines, and celebrate being back together as a school community.

We kicked off the first week of school with our Bus Loop Celebration, and it was wonderful to see our entire school together celebrating the beginning of a new school year! Throughout the month, students enjoyed sunny days on the playground, built connections with classmates and staff, reviewed expectations, and practiced our daily routines. We are so proud of the positive start our students have made!

We also enjoyed a special D.E.A.R. Time – Drop Everything And Read! Students carried books with them throughout the morning, ready for the announcement that it was time to stop, find a cozy spot, and read. It was so much fun to see our entire school community pause together and enjoy some quiet reading time!

DEEP ROOTS • CORE VALUES • BRIGHT FUTURES

Our 2nd-4th grade students also had the opportunity to walk over to the middle school, where Mr. D led an assembly focused on our PRIDE expectations and our new WIN time. Students learned more about how PRIDE connects to the choices they make each day and what they can expect during WIN – What I Need.

Students kicked off WIN at the end of September, and we are excited about the opportunities this time will provide for each student to grow, strengthen skills, and receive the support and challenge they need to be successful.

As we head into October, we are excited to continue building connections, practicing our PRIDE behaviors, and growing together as a school community. Thank you for partnering with us as we work to make this a positive and successful school year for every student!

Goldenrod Rule

The Elementary School uses Goldenrod paper to indicate a paper that requires your response. When you see Goldenrod paper in your child's backpack, **please take time to read, sign and return it to school.**

Morning Drop-Off

- Drop-off times are 8:40-8:55am each morning
- We will be using our North Loop for drop off in the morning.
- There will be NO cars allowed in the bus circle before 8:55 in order to accommodate the buses.
- For safety reason, students will exit the car from the passenger side door and then enter the building. There will be staff members to help with the traffic flow and to direct student to a door.
- Reminder - there will be no parents entering the school with their child at this time.

Pick-Up During the School Day

To ensure safety of each child and to minimize disruptions in our education program, we ask that you follow these steps when it is necessary to remove your child from school during the day.

- Complete and return the Student/Parent/Contact Information Sheet which includes the "authorization to pick up" information. This is critical if you need someone other than a parent to pick up your child.
- Send an email to wesattendance@williamsoncentral.org with student name, teacher name, time of pick-up, and name of person picking up the student.
- At the designated pickup time, parent should pull into the North loop.

Attendance Policy

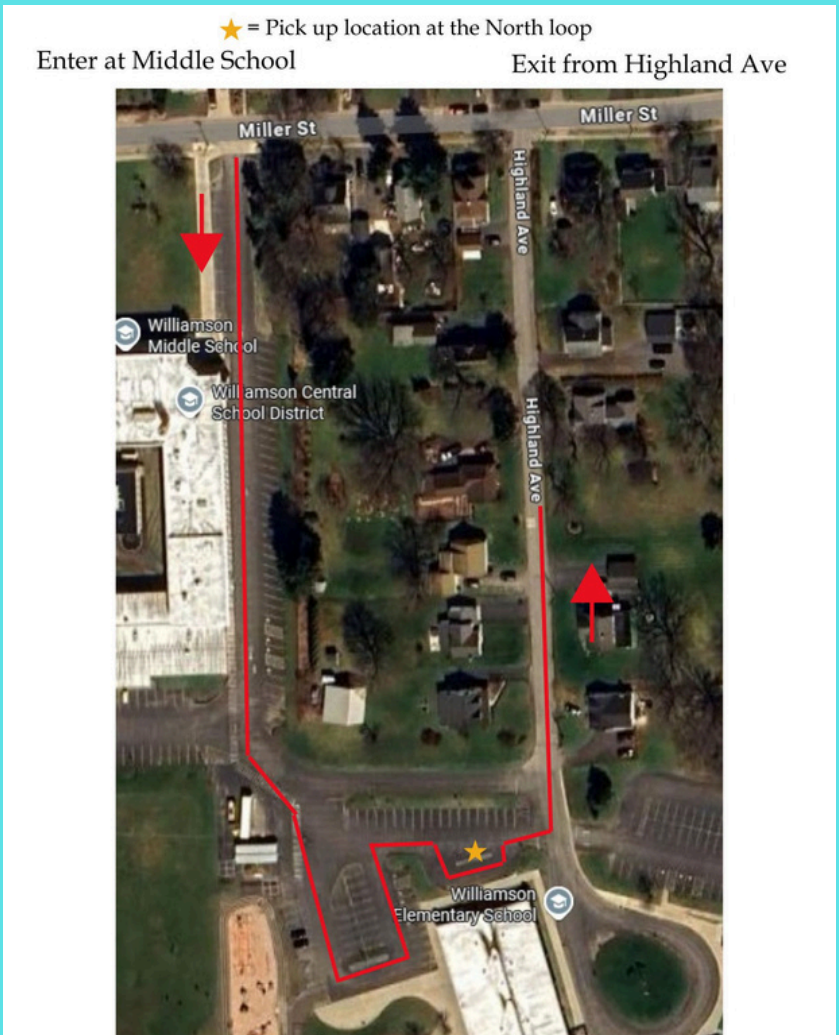

Attendance in school is critical for students to achieve. Please encourage your child to attend school unless illness prevents it. It is important that students arrive ON TIME - NO LATER THAN 8:55 AM. Morning routines start as soon as students get off the buses. Research has shown that students who establish poor attendance patterns at a young age have difficulty changing those patterns as they grow.

The district has an attendance policy in place that includes regular letters of notification to parents of students who are excessively absent from school. If there are specific issues preventing you child from attending, please contact the Main Office or Health Office to set up an appointment to discuss the concerns.

New Afternoon Pick-Up Information

- Pick-up times are 3:17-3:30 each afternoon.
- Please fill out the everyday form if your student is going to be picked up on consistent days. 26/27 Pick up form
- If you wish to pick your student/s up at the end of the day you must email wesattendance@williamsoncentral.org AND transportation@williamsoncentral.org by 1pm with a 4 digit code.
- There will be NO cars allowed in the bus circle between 2:45-3:30 in order to accommodate for the buses.
- This year for the safety of the students, we are implementing a pin code to pick up. You may share this code if someone else is picking up. (We will not be able to give this code out to anyone) If you have multiple students in the elementary building the same code can be used for all the students.

If you have any questions please contact Kari Hopkins 315-589-9668 ext 2505
khopkins@williamsoncentral.org

Distribution of Party Invitations at School

We ask that the distribution of invitations be handled in a careful and considerate manner. Your child's teacher will have a preferred approach to this matter and will inform you in a newsletter. Please follow the teacher's suggested approach to respect all students.

Snacks

Many of our classes have a snack during the course of the day. Students are encourage to bring in nutritional snacks such as apples, bananas, raisins and carrots.

Health Office Notes

- NYS law requires school physicals for UPK, K (if not received in UPK), 1st and 3rd grades and for all students new to the district. The physical must be turned in prior to the start of school. There is a 30 day grace period if not turned in at the start of school or for those who have future appointments. If your student has a physical scheduled, please contact the health office with the date of the appointment so that we can list it as 'in process.'

- All required vaccinations for your child's age must be up-to-date prior to the start of school or by the 14th calendar day after school starts in order to be compliant with NYS Law.

- If your child requires medication during the school day, please obtain a doctor's order that is signed by BOTH the physician and the parent. Medications MUST be delivered to the Health Office by a trusted adult who must sign for the medication. Please do not allow your child to carry medicines to school.
