...AT THE FOREFRONT OF EDUCATION

Tenaflly High School (THS) is recognized as the top open-enrollment K-12 public school in Bergen County and among the top 1% of leading secondary schools in New Jersey and the nation. Over 90% of our graduates attend four-year colleges, and THS students consistently achieve strong SAT results. THS offers 20+ Advanced Placement courses, diverse electives and a Performing Arts Endorsement program that cultivates skills in music and theater. Each student is supported by a dedicated School Counselor throughout their four years. THS students are highly engaged beyond the classroom—over half participate in athletics across 26 varsity sports, and many are involved in music, 70+ clubs and organizations, and community service initiatives. Tenaflly High School aims to help each student achieve their highest potential in a safe, caring environment that promotes learning, self-discipline, responsibility, and self-expression. We value diversity, encourage cooperation and good sportsmanship, and guide students in critical thinking, problem-solving, and decision-making to prepare them to contribute positively to their communities.
