BRIARCLIFF
SUPERINTENDENT SEARCH

STAKEHOLDER FOCUS GROUPS

The Briarcliff Manor Union Free School District's Board of Education wants to hear from you about the characteristics that you would like to see in the next Superintendent as well as what you see as the challenges and opportunities that lie ahead for the district.

A series of in-person focus groups will be held with the various stakeholders. There will be four separate sessions scheduled on two different days open to all parents and community members. There is also an on-line survey that all school and community members are encouraged to complete as well.

PNW BOCES
Service and Innovation Through Partnership
