

INVESTING IN SAFE, MODERN SCHOOLS FOR FUTURE GENERATIONS

CFISD PROPOSITION B

Facilities & Renovations

Improve existing school facilities, capital renovations and repairs, replace aging building components, building additions, campus improvements, and equipment upgrades across CFISD.

School Buses & Transportation

Purchase new school buses, replace aging buses, and maintain a reliable transportation fleet for CFISD students.

Safety & Security

Retrofit buses with emergency and safety equipment, add security upgrades to vehicles, and purchase or update district vehicles used for emergency, safety, and security operations.

THIS IS A PROPERTY TAX INCREASE

Proposition B would authorize \$1.299 Billion in School Bonds to modernize and maintain district facilities, address aging infrastructure, update student transportation, enhance districtwide safety and security measures, and support the long-term needs of a growing school district.

\$1.299 BILLION Bond Program

Why Proposition B?

This bond provides funding to modernize and maintain district facilities, address aging infrastructure, update student transportation, enhance districtwide safety and security, and support the long-term needs of a growing school district.

Investing in CFISD's Future

Safe Schools • Reliable Transportation • Modern Facilities

SAFE SCHOOLS • MODERN FACILITIES • FUTURE
READY STUDENTS
