

Garden Club

**Students in Grades 3-5 are
invited to join our Garden Club!**

Led by our Lower School Science Specialist,
Garden Club meets in Saint Andrew's beautiful
outdoor garden. Through hands-on experiences,
members learn about gardening, conservation,
protection of wildlife, and how to recognize
different plants and trees.

**The Garden Club meets every Thursday
during morning recess. Led by our Lower
School Science Teacher, Mrs. Truran.**
