Parent/Family and Community Engagement Policy

Parent/Family and Community Engagement Policy Parent & Family Engagement (PFE) Program	
What is it? (Statement of Purpose)	At Barrington Place Elementary we strive to provide high-quality education individualized for each student by developing and maintaining relationships with our parents, staff, and community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement programs. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.
Parent & Family Engagement Classes	PFE Classes offer opportunities for parents/families to engage in a classroom environment to learn new skills and knowledge to support their student. Curriculum	Barrington Place Elementary School utilizes high-quality curriculum that supports student success.
Forms of Academic Assessments	Barrington Place Elementary School has common Formative Assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by TEKS Resource System which models each assessment after the State of Texas Assessments of Academic Readiness or STAAR Test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.
Expected Achievement levels on academic assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards Barrington Place Elementary tracks each child's growth throughout the year via local assessments (mentioned above).
Ways to Request regular meetings	Parents and Guardians may share suggestions, ideas, or concerns by communicating with your child's teacher via email, phone call, or talking points. We welcome your communication as we want our school to be a place where everyone feels safe and welcome.
