

RCPS DE Participation Steps (after college acceptance)

Step 1- Meet with your counselor or Ms. Rowe to confirm what classes you will take for the 2027-2028 school year. Please think seriously about what classes you need as DE schedule change requests at the start of the school year cannot always be accommodated.

Step 2- Set up your college email address as soon as the college sends it to you. Once you do that, that is how the college will communicate with you from now on.

Step 3- Complete all tasks that are required to be eligible for registration with the college. The college will send you an email with either “next steps” or a “checklist.” Getting accepted is just the first step for the college.

Step 4- Do not register for classes if you applied to GPTC, Point, or Clayton State. Ms. Rowe will share rosters with these colleges. For all other colleges, you will register through the college.

Step 5- Decide if your DE classes will be in person at RCA or online. You must be able to take your online classes off campus. If you cannot be off campus, you must take your DE classes at RCA.

Step 6- Make sure you can access the college’s Learning Management System (LMS), such as Canvas, D2L, or Blackboard. Do not wait until the first day of class to try to access the LMS in case you have technical difficulties.
