

What is a School-Parent Compact?

A School-Parent Compact is a written agreement that is developed by Mundy's Mill High parents, teachers and students. It explains how parents and teachers will work together, share responsibility for student learning. This compact helps bridge the learning connection between school and home.

MMHS School-Parent Compact will:

- Link to goals of the school improvement plan.
- Focus on student learning skills.
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Inform of opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, teachers, students and staff of Mundy's Mill High School jointly developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas that they feel are within their abilities to assist students, and students told us what would help them learn. The above participants hold annual meetings to review and update the Compact based on student needs.

This compact is a working document and parents are welcome to contribute comments throughout the school year. If you would like to make changes or add to the compact, please contact the school parent liaison. Ms. Dawn Griffin dawn.griffin@clayton.k12.ga.us
