Senior Meetings

Starting this Friday and through next Tuesday, counselors will be pulling each student out of Gov or Econ individually for a very brief senior meeting.

We will cover:

- Student's transcript including credits needed to graduate
- Student's Personalized Learning requirements (CRLE's and Extended Application paper from Health 12)
- Credit Recovery (if applicable)
- Scholars of Distinction applications (if applicable)
- Plans after high school
- Questions

These meetings will be BRIEF. If you need a more in depth conversation about your after high school plans, you should come to the counseling office to schedule an appointment with your counselor.

Thank you, Seniors!

This year will go by fast - make sure you are communicating and planning ahead! If you have questions, reach out to your counselor.
