Happy Halloween

## Happy October WAY Academy Researchers!!!

And just like that, we have completed our first month of the school year and are all looking forward to a GREAT year!

Welcome Back WAY Academy families! Fall is here!! You know what that means?? It's Count Season! Our Count Period begins Wednesday October 7th and ends on Tuesday, November 3<sup>rd</sup>. We NEED to see you in school, in-person!

It is an expectation that researchers are focusing on 1 or 2 classes for Count, so make sure you know exactly what those classes are. All researchers must complete a CYL or Final Product in their courses to be counted on our roster. Researchers should contact their mentor if they are unsure what they should be working on.

Students who come in for count will be treated to pizza and a chance to get a raffle ticket for a \$50 Visa Gift Card. To get your raffle ticket you must be present for Count, in the building, and your Count day requirements must be complete. We look forward to seeing you ALL in school!

Yours In Education,

-Mr. Cameron Nichols  
Program Director - WAY Detroit
