

3rd Grade SCIENCE

CLASS SYLLABUS

Mrs. Tina Harrison

Midway Elementary School | New Tazewell, TN

Explore • Discover • Investigate • Learn!

COURSE OVERVIEW

Third grade scientists ask questions, investigate the natural world, collect evidence, and share their discoveries. Topics include matter, forces and motion, energy, living things, plant and animal structures and life cycles, and Earth science.

Curriculum: Savvas Learning Company

CLASS EXPECTATIONS

1. Be safe and respectful.
2. Ask questions and explore.
3. Work together kindly.
4. Try your best every day.
5. Care for science materials.

GRADING POLICY

Any grade below 70 can be redone one time, and the better of the two scores will be taken.

Late work will be accepted within a reasonable time.

GRADING SCALE

A 93 - 100
B 85 - 92
C 75 - 84
D 70 - 74
F Below 70

SCIENCE LEARNING & ACTIVITIES

- Hands-on investigations and experiments
- Science vocabulary, reading, and writing
- Models, diagrams, observations, and evidence
- Teamwork, science discussions, and projects

Our goal: Be curious, think like a scientist, and keep learning!
